We are looking forward to our 8th annual charity wine auction! Put on your Christmas Creativity Caps and bring a beautifully (or not) disguised wine bottle to our December 6th dinner at Workshop Eatery!

- Please participate! You can:*
- Bring a decorated bottle (or two) of wine*
 - Buy some bottles of wine at the auction*
 - Go home happy and rewarded!*

WINE MERCHANTS

To be an Epicurean Wine Merchant in aid of a worthy cause:

1. Buy a bottle of wine (or two or three!): any amount, any wine - show your excellent taste!

2. Wrap up your wine creatively or artistically - you must NOT be able to tell what it is! Be fun, creative, artistic, classy... your choice!

3. Bring your decorated wine to the dinner and sell it to the highest bidder!

You can tell people the grape varietal, the country, if it's good or bad but don't reveal the exact value or the wine! Talk it up and get top dollar!

WINE BUYERS

To be an Epicurean Wine Buyer you need to:

- 1. Bring cash or cheques to purchase some great wine from your friends and fellow Society members.*
- 2. Be generous: your entire purchase is donated to a worthy cause!*
- 3. Bid on one or bid on them all! You will go home with a great bottle of wine that could be a very pleasant surprise. You can't lose! You can even buy your own bottle!*

- 4. Winning bids must be paid by the end of the evening by cash, cheque (payable to the Edmonton Epicurean Society) or eTransfer to
info@edmontonepicurean.com.*
