WHAT IS RAISE CRAZE?

Raise Craze is an online platform enabling participants to set up secure, custom websites where they request donations to directly support our M-C PTA via email, text, and social. During the fundraiser, participants **pay it forward by completing Acts of Kindness** for others. A great way to learn the value of gratitude. Spend time serving, not selling!

WHY IS IT IMPORTANT?

We want to continue to make our children's school experience better by providing helpful, fun and enriching benefits to our students, families & staff - but that takes money! We've chosen Raise Craze to help with these needs because it keeps kindness and inclusivity at the center, while allowing our school to keep 90% PLUS!

OUR GOAL IS \$20,000 FOR...

- Helping the PTA fund our schools assemblies, author visit, teacher mini grants, staff appreciation, field day shirts and all PTA events for this year! In an effort to be more inclusive, we have kept our cost to families FREE or at a minimum this year.
- Any excess monies raised this year will pay for a retractable awning to provide shade in the new library courtyard currently being built for outdoor learning!
- Because spreading kindness is always a good idea and makes everyone feel good!

To learn more about Raise Craze and how it works, scan the QR Code or visit raisecraze.com/how-it-works-video! We can't wait to watch kindness take over!
