The Center for the Arts (CFA) **mission** is to enrich lives by supporting, promoting, and connecting **literary, performance,** and **visual artists** of all ages to our communities.

Our **vision** is to see a Lake Sunapee Region where artists of all disciplines enrich their community.

The CFA is a collaborative organization, working to elevate the community through arts programming and events that enrich the surrounding 12 towns of Andover, Bradford, Danbury, Grantham, New London, Newbury, Newport, Springfield, Sunapee, Sutton, Warner and Wilmot. However, we also go beyond these locations to bring a high level of arts excellence to the region.
