

2024 CFA VOLUNTEER OPPORTUNITIES

Enriching Community Through the Arts

Serving the arts in Andover, Bradford, Danbury, Grantham, New London, Newbury, Newport, Springfield, Sunapee, Sutton, Warner, and Wilmot.

Center for the Arts (CFA) serves the literary, performing, and visual artists of all ages supporting, promoting, and connecting them to our communities.

We hold over 30 events and programs throughout the year and couldn't do this without our valued volunteers.

There are a variety of ways to use your skills, we hope you'll join us in enriching the community through the arts!

EVENT GREETERS

Several times a month volunteers are needed to greet our guests and help answer questions.

- First Friday Programs can use greeters depending on the event like gallery strolls or performances
- Special Events need Greeters to welcome guests, sign in, check out, collect information or answer questions

HOSPITALITY

Once a month, CFA events include complimentary food and beverages. Volunteers are needed to make appetizers and/or desserts

- First Friday programs often need 2-4 plates of finger food
- Special Events can require 10-20 plates of finger food depending upon the event
