

Edged Weapons Defense Techniques

*This 8 hour block of instruction will be facilitated by Senior Defensive Tactics Instructor
Peter A. Davila & Eldrich P. Allen*

The student will be instructed on knife defenses. Instruction will include defenses, strategies and countermeasures. The student will be taught the difference between a “knife threat” and a “knife attack”. The Officers Response to Resistance Matrix will be discussed.

Fundamental drills to protect against the spontaneous knife attacks from all angles will be covered. This is a vigorous course the student will have to be in adequate physical condition to attend and complete the course. Upon completion of the training course the student will be awarded the certificate in EDGED WEAPONS DEFENSE TECHNIQUES.
