Section 1. The Collective Bargaining Unit shall be comprised of all non-instructional employees. No substitute non-instructional employees shall be members of the Collective Bargaining Unit. All managerial or confidential employees and elected or appointed officials, are excluded from the Collective Bargaining Unit.

Section 2. The parties agree that any CETA, JTPA or Green thumb positions, are excluded from the bargaining unit.

ARTICLE III / NEGOTIATION PROCEDURES

Section 1. Upon expiration of the Agreement, it will be re-negotiated. The parties will meet within fifteen (15) school days of a request by either party for a meeting to open contract negotiations. The request for re-negotiations shall be made between January 1 and February 15 of the final year of the Agreement.

Section 2. The first meeting between the parties will be for the purpose of setting ground rules for the forthcoming negotiations and exchanging proposals.

Section 3. The parties agree that their representatives will be clothed with authority to receive proposals, make proposals and counter-proposals and to enter into tentative agreements on all

matters brought to the negotiation table. However, it is expressly recognized and agreed by the parties that no terms negotiated at the negotiation table are effective or binding unless and until ratified by the CSEA and approved by the Board of Trustees of the District.

ARTICLE IV / GRIEVANCE PROCEDURE

Section 1. The parties to this Agreement declare their joint intent to promptly resolve complaints through the procedure below.

Section 2. Definition

A "grievance" is a complaint by an employee based on an alleged violation, misinterpretation, or misapplication of the provisions of this Agreement.

Section 3. Procedure

STEP 1

An employee shall submit their grievance, in writing, to the Superintendent. The grievance shall specifically state the provisions of this Agreement claimed to have been violated, a statement of what the violation is claimed to be, and what redress is sought by the employee due to the alleged violation. If an employee does not file a written grievance within fifteen (15) work days after the employee knew or should have known of the act or condition on which the grievance is based, then the right to bring a grievance under this provision and Agreement is waived. Within ten (10) work days of receipt of the grievance, the Superintendent shall present to the employee a written decision.

STEP 2

If the aggrieved employee is not satisfied with the decision of the Superintendent, the aggrieved employee may appeal, in writing, the Superintendent's decision to the Board of Trustees. If the employee does not appeal the Superintendent's decision regarding the grievance within ten (10) work days of the date of receiving the Superintendent's decision then the issue shall be considered resolved. Within ten (10) work days of receipt of an appeal, the Board of Trustees shall render a written decision on the grievance. This decision shall be delivered to the aggrieved employee and the association president.

STEP 3

If the aggrieved employee is not satisfied with the decision of the Board of Trustees, the aggrieved employee may appeal the Board of Trustees' decision to arbitration with the Public Employment Relations Board (PERB) within thirty (30) work days after receiving the written decision. The CSEA, Inc. has the sole power to determine whether the grievance will be pursued to arbitration based on its merits. Both parties shall then be subject to the rules of PERB and the arbitrator. The parties shall be equally responsible for the fees of the arbitrator. The arbitrator's decision shall be final and binding on the parties.

ARTICLE V / ASSOCIATION RIGHTS

Section 1. The association will have the right to use building space for association meetings. The association will give the Superintendent one work days' notice of its desire to use building space, however, this notice provision may be waived by the Superintendent at his/her discretion. Any use of building space by the association is within the sole discretion of the Superintendent.

Section 2. Whenever the Superintendent calls an employee to a meeting to discuss formal disciplinary matters, the employee shall have the right, upon request, to be accompanied by the local association president or another CSEA officer at such meeting. In this context, "formal" means an action resulting in, or which may result in, a written reprimand or charges against an employee, it does not mean oral counseling.

Section 3. The duly elected President of the Local CSEA Unit, or designee, shall, in the discretion of the superintendent, be granted a leave of absence with pay to attend official CSEA conventions or workshops; such leave shall be at the discretion of the superintendent and may total no more than one (1) day per year. Such leave shall be charged to the employee's personal leave or vacation time. The employee will provide written notification of the need for such leave at least one (1) week in advance of the date leave is to be taken. The Employer will not pay any of the costs associated with the taking of such leave. The Association and affected employees agree not to grieve any action of the employer under this Section (Article V, Section 3).

ARTICLE VI / MANAGEMENT RIGHTS

Section 1. The employees recognize that the management of the business of the Employer and the direction of its personnel, subject to the terms of this Agreement, are the sole responsibilities of the Employer. The Employer shall be the sole judge of all matters, subject to the terms of this Agreement, pertaining to the education of the students of the Edinburg Common School District; the management of the District's financial affairs of the Edinburg Common School District; the maintenance and use of the District's buildings, land, and other physical plant; the number and types of employees needed; and, all other matters incidental to the economical and efficient operation of the Edinburg Common School District.

Section 2. The foregoing express enumeration of rights reserved to management shall not be deemed to preclude exercise by the Employer of other rights exercised by it prior to the execution of this Agreement which are not inconsistent with any express provision thereof.

ARTICLE VII / WORKING CONDITIONS

Section 1. Overtime at the rate of time and one-half (1-1/2) shall be paid for all hours worked in excess of forty (40) hours per week. Overtime will be paid in accordance with the Fair Labor Standards Act.

Section 2. Overtime will be assigned on a rotating basis by seniority beginning most senior employee on the list. Such lists will be maintained and overtime assignments shall be made based on type of work requiring the overtime (e.g., bus driver/custodial etc.). The decision of whether

to assign overtime is optional with the Employer. The Employer specifically reserves the right, under exceptional circumstances, to assign non-bus driver employees to drive District owned vehicles which only require the operator to have a normal operator's license.

Section 3. Except as provided below, employees who work five (5) hours or more per day, shall receive a thirty (30) minute, duty free, unpaid lunch break, which, with the approval of the Superintendent, may be taken in two, fifteen minute increments. Employees assigned to eat lunch with students shall be paid for their lunch time. No other regularly scheduled breaks shall be taken during the work day, unless granted at the discretion of the Superintendent.

An uninterrupted half-hour lunch period shall be provided for employees covered by this Agreement. It is understood that should operational needs impact on the half-hour lunch period, compensation time consideration will be worked out with the employee's supervisor that is a mutually convenient time for both the employee and supervisor.

Section 4. The School Nurse shall be provided with a paid half-hour lunch daily, effective May 20, 1992, and thereafter.

Section 5. For those Unit members employed by the District as of July 1, 1988, the workweek shall be Monday - Friday, unless the employee agrees to take a position involving some other type of scheduled workweek (e.g., Wednesday - Sunday).

Section 6. Out-of-Title Work The Superintendent shall have the authority to assign unit members to perform duties beyond or outside the scope of their job descriptions. According to the terms of this provision, employees assigned to perform duties beyond the scope of their job description shall receive the rate of pay that applies to the type of work they are performing. If the rate of pay for the other work is higher than their normal hourly rate, then such payment for the out of title work shall commence immediately upon the commencement of such work, provided it is for a full day.

Section 7. Layoffs

Layoffs shall be accomplished via the least senior employee in the bargaining unit performing work in the job title (as reflected by the salary schedules) being curtailed. The District shall excess temporary, provisional, and part-time employees, in that order, before any full-time employees are laid off. For purposes of this provision only, full-time shall mean an employee working 20 or more hours per week and bus drivers with regularly assigned morning and afternoon runs. Employees shall retain their rights regarding layoff and recall they are entitled to under New York State Civil Service Law Articles 80 and 80a. Those laid off employees who do not have rights under New York State Civil Service Law Sections 80 and 80a, shall be placed on a district-wide preferred list for that title for a period of one (1) year and shall be recalled to work in inverse order of their layoff.

ARTICLE VIII / JOB POSTING

Section 1. All notices of non-instructional staff job vacancies in the District shall be given to the Local Union President or his/her designee. The Employer shall provide space for a CSEA bulletin board at the place of assembly of employees. This bulletin board shall be for the exclusive use of CSEA for job postings, announcements of meetings, election notices and for other union matters relative to CSEA business.

Section 2. When a job vacancy occurs within the Employer District, the Superintendent or his/her designee shall post a copy on the bulletin board in the kitchen back hall and shall also provide a copy of the posting to the Local Union President, by placing a copy in his/her mailbox. Such posting shall be made at least five (5) days before the close of the time for application. Announcements of such vacancies shall contain the title of the position to be filled, minimum qualifications required for appointment, work location, and salary. Employees who wish to be considered for appointment to such a vacancy shall give notice to the appointing authority within the time frame contained in this posting.

The selection of who will fill the vacancy (employee or otherwise) is left to the complete discretion of the Board of Trustees and Superintendent, provided, however, that the appointing authority will select a qualified applicant. If an employee is selected, the Employer will select the most qualified employee, giving a preference to the more senior employee if all other qualifications are the same between employees. The Employer will extend preferred consideration to an incumbent employee applicant when qualifications are equal. The foregoing provisions as to notice and time may be waived by the Superintendent in an emergency.

ARTICLE IX / HOLIDAYS

Section 1. All full-time twelve (12) month employees shall be granted thirteen (13) paid holidays per year. The holidays shall be as follows:

Section 4. A full-time, 12 month employee required to work on a holiday enumerated in Section 1 shall be compensated at the rate of double-time (2x). This compensation is in lieu of the regular compensation accorded a paid holiday that is not worked. In other words, in a work week which includes one of the above enumerated paid holidays, if the employee does not work the holiday, then he/she receives their normal weekly pay. If the employee is required to work on the holiday, he/she will receive their normal pay for the non-holiday work days, plus double-time pay (2x) for the holiday. (For example, in a week in which a paid holiday falls on Friday, if the employee does not work that Friday, he/she receives their regular weekly salary. If the employee does work Friday, he/she is paid regular pay for Monday through Thursday, plus double-time for Friday).

The Superintendent of Schools or his/her designee, has the discretion to approve or disapprove requests for vacation time based upon the needs of the District, and shall have the ability to waive the ten (10) working day submission of request requirement at his/her discretion. Unused vacation time shall not accrue year to year and shall not be reimbursed at the end of the year. However, if vacation is not used by the employee due to the work requirements of the District, then the employee shall be paid for unused vacation time at the end of the year. It is generally the obligation of the employee to request and use the vacation time.

Section 3. For purposes of this Article (Article X), a full-time, twelve (12) month employee is defined as an employee who works five days per week, fifty-two weeks per year (less any applicable paid vacation periods and holidays).

Section 4. At least ten (10) work days of any allowed annual vacation time for employees entitled to fifteen (15) or more work days of vacation must be taken between July 1 and August 31 of any given year. Employees entitled to ten (10) work days of vacation per year must take at least five (5) work days of such vacation between July 1 and August 31 of any given year or

The Starting Salary Schedules shall be appropriately added to this agreement as Starting Salaries in Appendix "A" and present employees' salaries in Appendix "B".

Section 3. Longevity

(A) For every five (5) years of continuous, active service to the school district, an employee shall receive a longevity bonus of \$350.00. This longevity bonus is not subject to annual percentage increases. This bonus shall be paid in a single lump sum payment to all employees entitled to the bonus for the upcoming school year in a separate check payable to the employee no later than August 15 of each year.

(B) The requirement of continuous, active service to the district means that any time in excess of six (6) months that an employee is on leave of absence from the district or is unable to work for the district for whatever reason (e.g., disability), shall not be counted in computing the longevity bonus.

Section 4. Employees will be reimbursed any and all costs of a required background check if they are charged with such after they complete 6 months with the District.

Section 5. Any employee who provides or attends work related training that is either required or approved by the Superintendent in writing shall receive his/her regular rate of pay during the hours of such training. Travel expenses shall be paid in accordance with District policy.

ARTICLE XVII / MISCELLANEOUS

Section 1. No Strike Clause

The CSEA affirms that it does not and will not assert the right to strike against the School District (Employer), to assist or participate in any such strike or to impose an obligation to conduct, assist or participate in any such strike and shall not cause, instigate, encourage or condone any strike, slowdown or other concerted action during the term of this Agreement.

Section 2. Legislative Approval Clause

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN ITS APPROVAL.

Section 3. Non-Resident Tuition

Non-resident tuition fees will be waived for those employees in the CSEA unit.

ARTICLE XVIII / BUS DRIVERS AND ATTENDANTS

Section 1. Schedules

(A) Regular Runs

1. Bus Driver schedules will consist of an a.m. and p.m. bus run and drivers shall be entitled to a minimum of 15 hours per week for the a.m. and p.m. runs. Drivers shall not be required to use a time clock and/or time card to record their hours of work.

Should a driver's run exceed three (3) hours and (s)he is scheduled to work more than 15 hours in a week, (s)he shall provide the District with a time sheet indicating the additional time. The District agrees to pay drivers for this additional time in 15 minute increments in the event a single trip unexpectedly lasts more than 15 minutes past its normal end time in either the morning or afternoon.

2. If the run assigned to any driver does not take 1.5 hours a.m. and 1.5 hours p.m., the driver shall do other driver duties; (i.e. clean bus, organize paperwork), as assigned by the Transportation Supervisor or Superintendent.

3. Bus Drivers may be required to drive an extra run occasionally (i.e. conferences) and will be paid their regular hourly rate as per time sheet submitted.

4. Regular Bus Runs will be offered to regular full-time (a.m. and p.m. runs) bus drivers based upon seniority. Seniority will be determined by driver's most current date of hire with the District as a bus driver.

5. Bus drivers may, according to seniority, be assigned regular extra bus runs. These are runs that are scheduled the same every week (i.e. Late bus or out of district runs).

6. After the initial bidding and assignment of runs at the start to school, the Transportation Supervisor shall review all actual bus run times of each run. By the first business day in October of each year, bus runs shall be permanently established, to become effective no later than the fifteenth business day in October. This will be shared with the Superintendent in writing.

a. If, after such review, it is found that bus run times need to be adjusted, the Drivers and Attendants that will be affected will be provided with written notice of a meeting. That meeting will be with the Transportation Supervisor, a union representative, and the party/parties affected. This will be shared in writing with the Superintendent.

b. If a Driver or Attendant disagrees with the decision of the Transportation Supervisor, they may submit a written appeal to the Superintendent, who will render a final determination.

(B) Emergency Closing and Delays

1. The District will notify the Transportation Supervisor at least 30 minutes prior to the start of the first bus run, when school is closed. Provided such notice is not given, drivers and monitors will not report to work and will not be paid for the day, regardless of whether they report to work or not. If at least 30 minutes notice is not given and the employee reports to work no sooner than 15 minutes prior to the start of the day, then the employee shall receive an hour's compensation at his/her regular rate of pay.

2. The District shall notify the Transportation Supervisor at least 30 minutes prior to the start of the first bus run when school is delayed. If school is delayed, and at least 30 minutes notice is given, then drivers and attendants will not report to work until a time equivalent to the delay has passed. For example, if a driver usually reports at 6:30 am and there is a two hour delay, then such driver will not report to work until 8:30 am. Upon the opening of school and the completion of their run, drivers and attendants will be paid their regular rate of pay. No additional compensation will be due the driver or attendant.

Section 2. Training

- A. Drivers and attendants who are required to take the bus driver/attendant two-hour safety course shall be compensated at their hourly rate for each hour of each session, upon receipt of proof of complete attendance. The district will provide a bus/van for transporting bus driver/attendants to the training sessions if it is needed.
- B. New Drivers shall be compensated \$75.00 after one year of successful driving experience.

Section 3. Maintenance

- A. Drivers may be assigned to do "maintenance runs."
- B. Drivers responsible for behind the wheel operations shall be paid their regular hourly rate of pay.
- C. Drivers responsible for non-driving operations shall be paid at their current rate.

Section 4. Bus Attendants

A. Training

- 1. Bus Attendants shall be compensated for their mandatory training at their current hourly rate of pay, upon receipt of proof of complete attendance.
- 2. The district will provide a bus/van for transporting bus driver/attendants to the training sessions if needed.

ARTICLE XIX / FULL AGREEMENT

This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from or modified only through the mutual consent of the parties in a written and signed amendment to this Agreement. If an individual arrangement, agreement or contract predating this Agreement contains any language inconsistent with this Agreement, this Agreement, during its duration shall be controlling. Should any agreement be reached in writing between the Employer, CSEA and an Employee which contains "no precedent" language, then such agreement may not be used to interpret or modify this Agreement.
