

VAPOR MITIGATION and AIR FILTRATION

Option #1

Amaircare 3000 Heavy VOC Air Purifier with 30 lbs Carbon

3 Year Limited Warranty
Model: 3000-30-1800P-1800P-HEPA-VOC-w/le
SKU: amr-ap-301501-w/le
Ozone Free: Certified UL 967 / IJL 2999

Amaircare 3000 Heavy VOC is the same high quality unit configured with a 30 lb Carbon canister and foam prefilter (NO-HEPA) for protection from heavy VOCs, odors, and spores.

Bonus: you will receive this ultra filter kit separately in addition to the configuration of Prefilter, HEPA and Carbon Block that automatically comes with the Base Unit (aka the 3000 HEPA).

Coverage for 1800 sqft. Comes with a 5 YEAR Limited Warranty on Parts & Labor. Freshen up your living rooms, bedrooms, etc. in home with pure and healthy air. It is helpful for residential use as well as an office. Focus on volatile organic compounds (VOCs), like TCE.

New Design Featuring Low EMF!

Price: \$1,064.00
