ABOUT SAF

Student Activity Fund (SAF) is a grant

program funded by the Unitarian

Universalist Veatch Program at Shelter

Rock that enables high school seniors

and college students to perform

significant service to the community

while earning money to help finance

their education. The program is

sponsored by the Long Island Area

Council of UU Congregations (LIAC).

Our Mission

The purpose of SAF is to encourage

young Unitarian Universalists to live

their religious values and gain

awareness of society's social and

economic problems through

internships at nonprofit agencies that

focus on social action, advocacy, or

social services.

How It Works

The SAF intern finds an eligible

nonprofit to work for, then receives an

hourly stipend via an SAF grant. In

summer, the intern may work up to 35

hours per week. There is no cost to

the nonprofits that accept SAF interns.

THE NONPROFIT

To receive funding for work done

through the SAF student internship

program, the intern must choose a

nonprofit organization whose goals

are **one or more of the following**:

- Directly aimed at alleviating

inequity, injustice, and

discrimination

- Encouraging the formulation and

implementation of public policies

that promote world peace or

ecological responsibility

- Designed to preserve and protect

civil liberties

- Related to the direct provision of

needed services to disadvantaged

sectors of society

Students cannot receive an SAF grant as
a volunteer for a particular political
candidate or party campaign, according
to SAF's guidelines as a religious
nonprofit program.
