

HTI Examples – Architecture / Structure Building Modeling

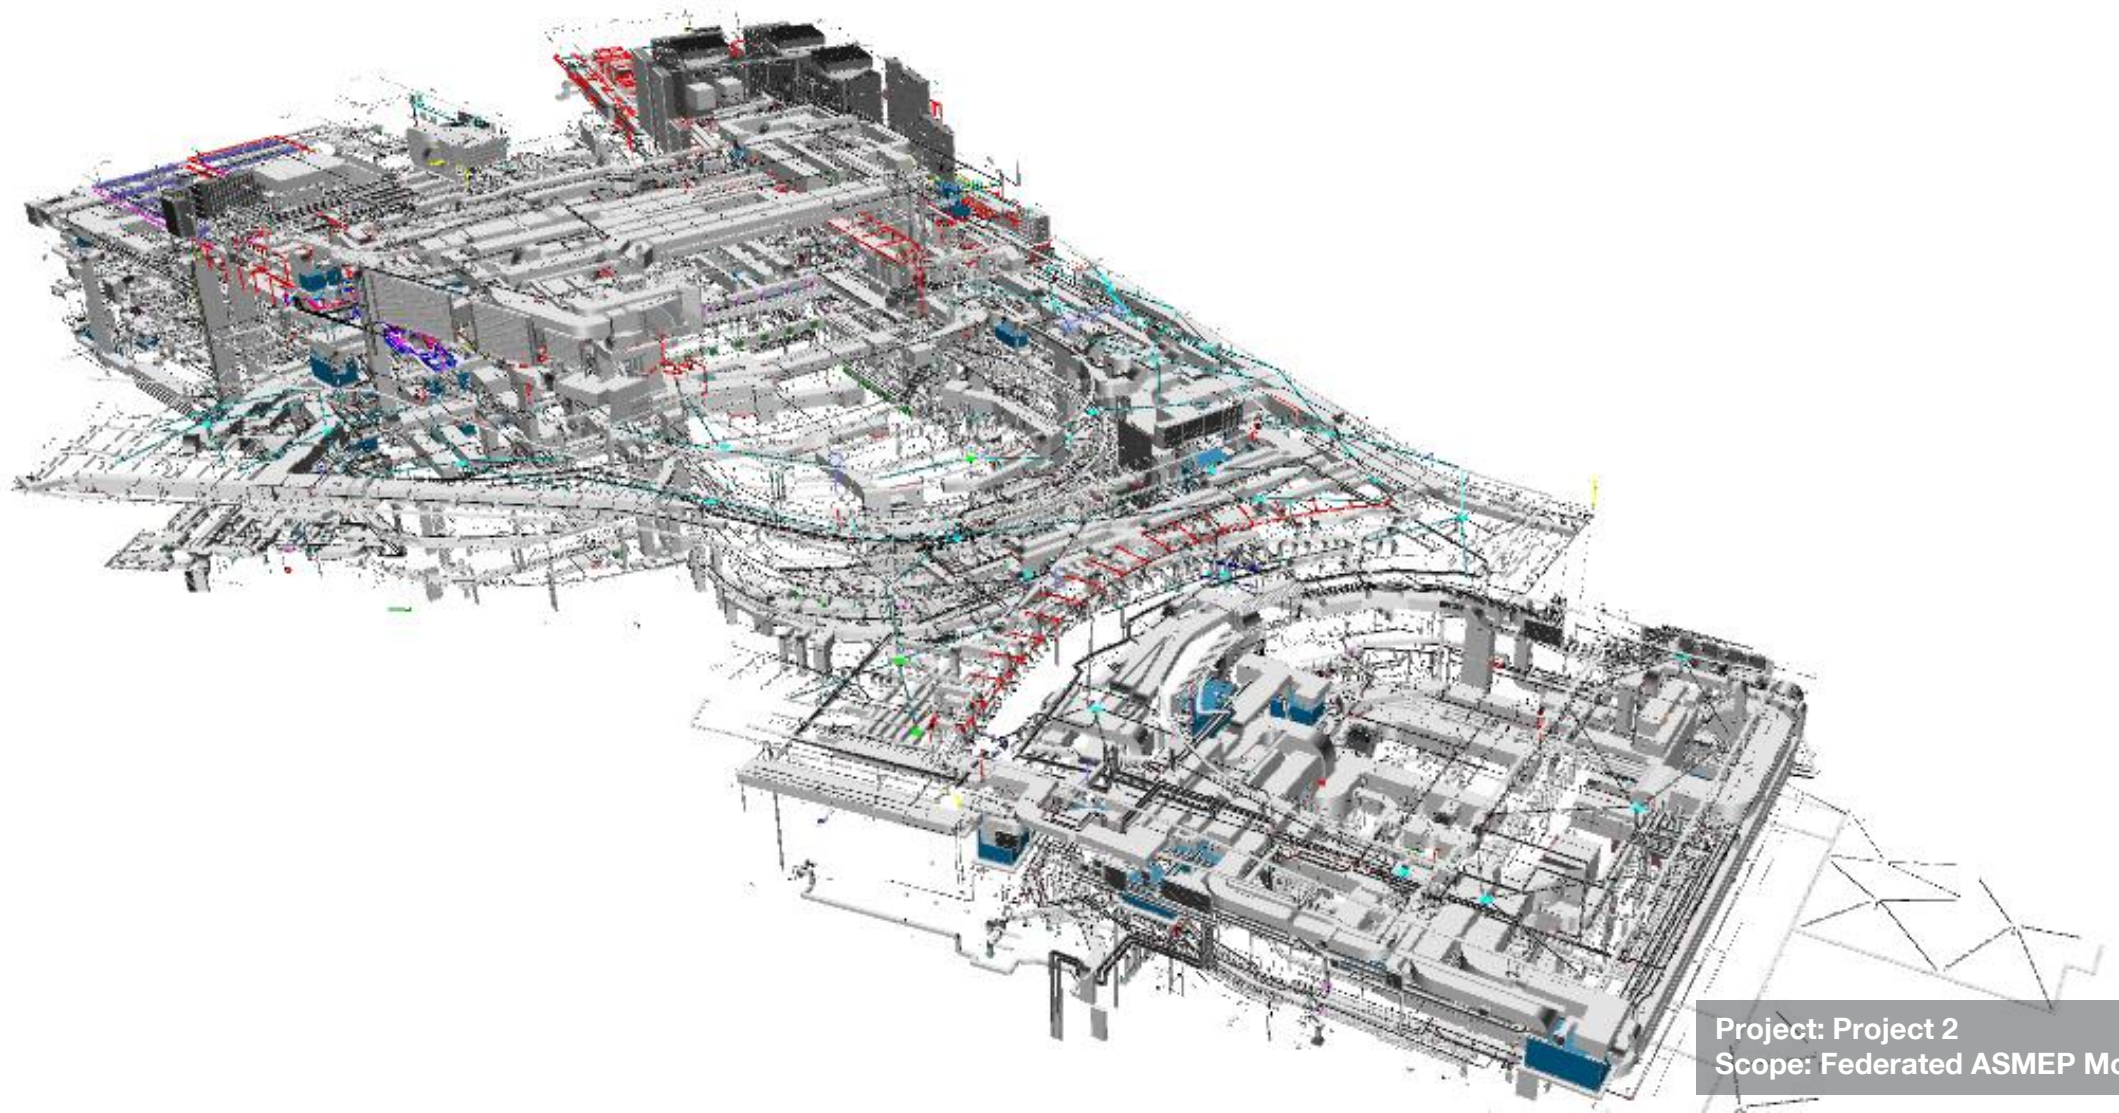

Project: Project 1
Scope: Architecture + Structure
Modeling

HTI Examples – Architecture and Structure - Theatre Models

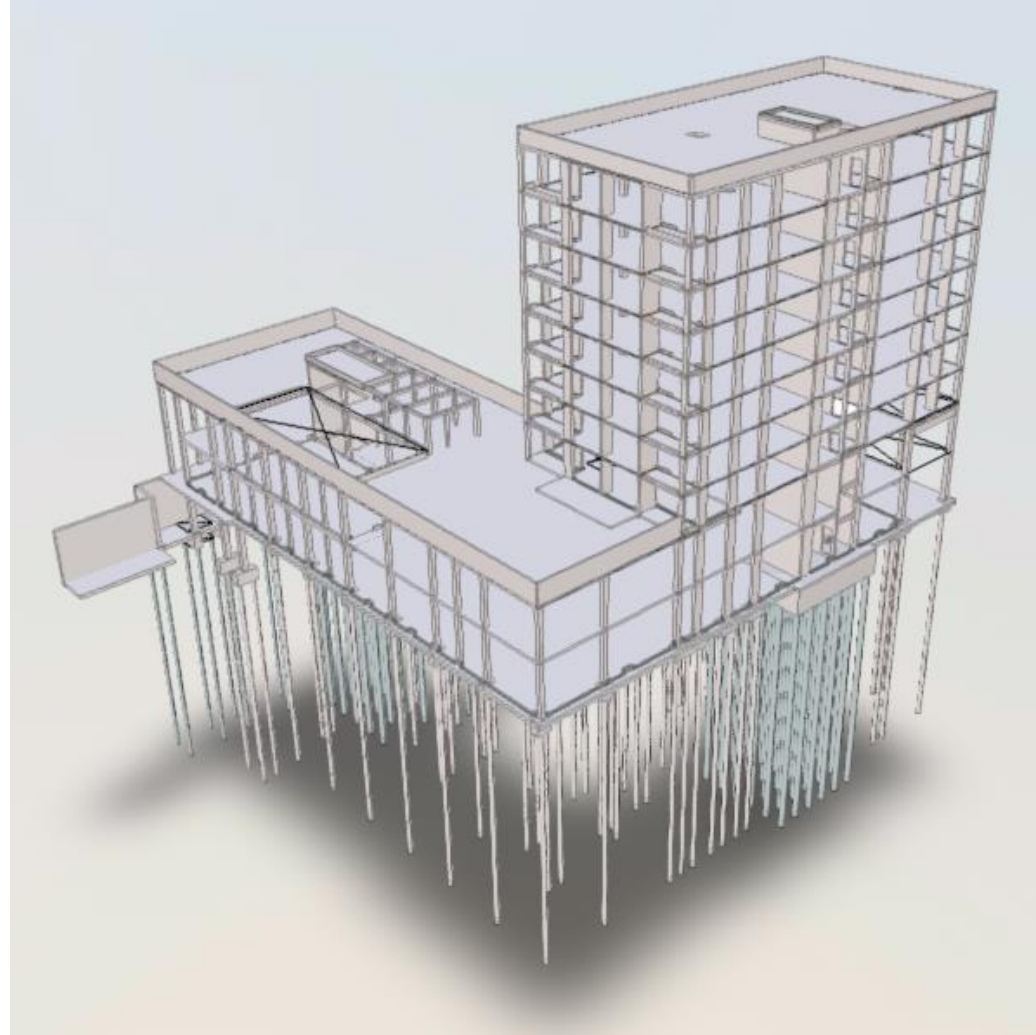

Project: Project 2
Scope: ARC/STR Modeling

HTI Examples – MEP Modeling

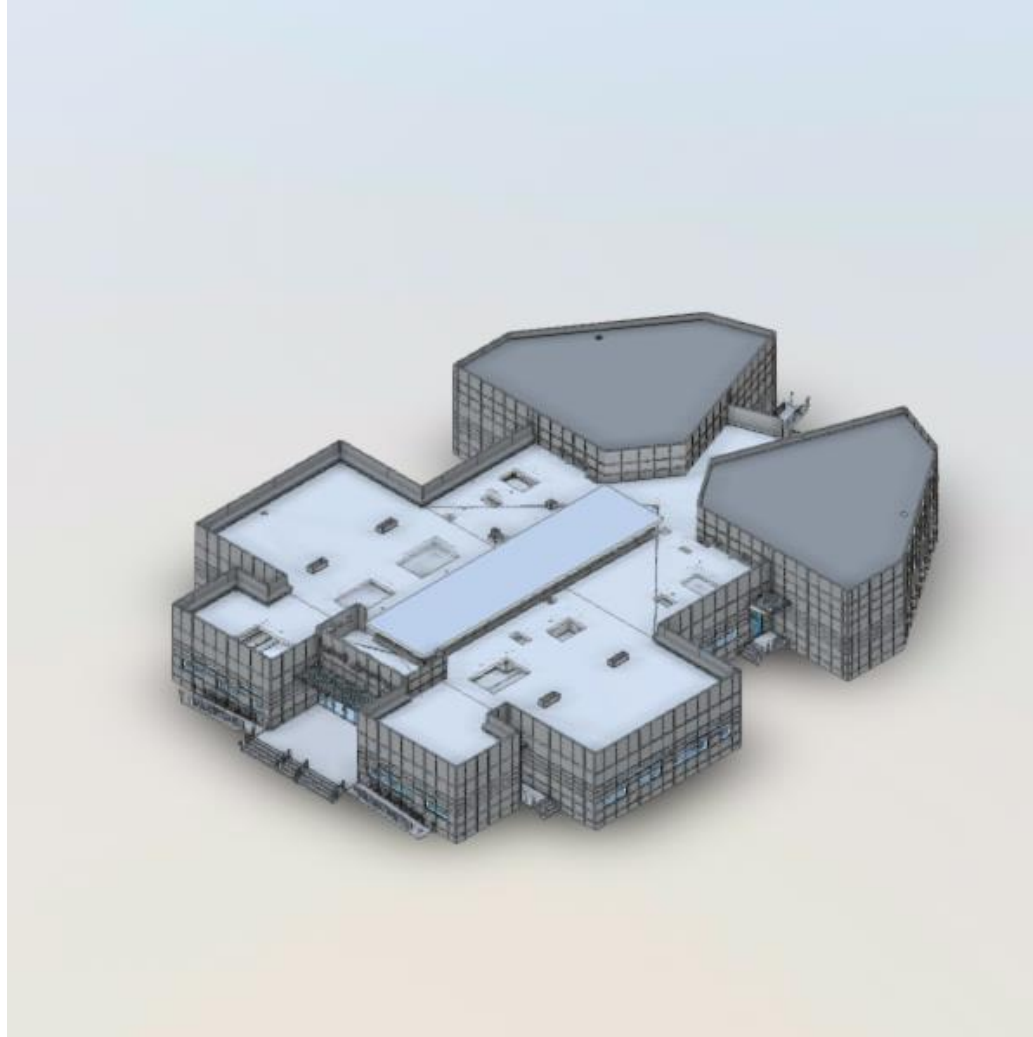

Project: Project 2
Scope: Federated ASMEP Modeling

HTI Examples – Precast Structure Modeling

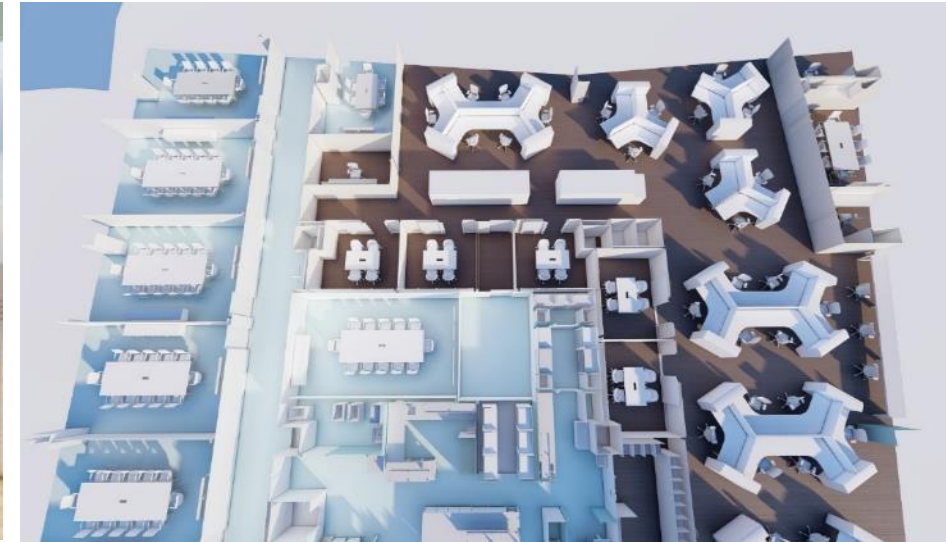

Project: Project 3
Scope: Precast Structure Modeling
Detailing, Quantity Take off, Form
Work Modeling, Erection Sequence

HTI Examples – In Situ Architecture, Structure, MEP LOD 400 Modeling, GFC Drawings

Project: Project 4
Scope: LOD 400 3D Modeling, GFC
Drawing, BOQ Extraction, Clash
Detection, Design Coordination etc

HTI Examples – Interior Fit-out Modeling

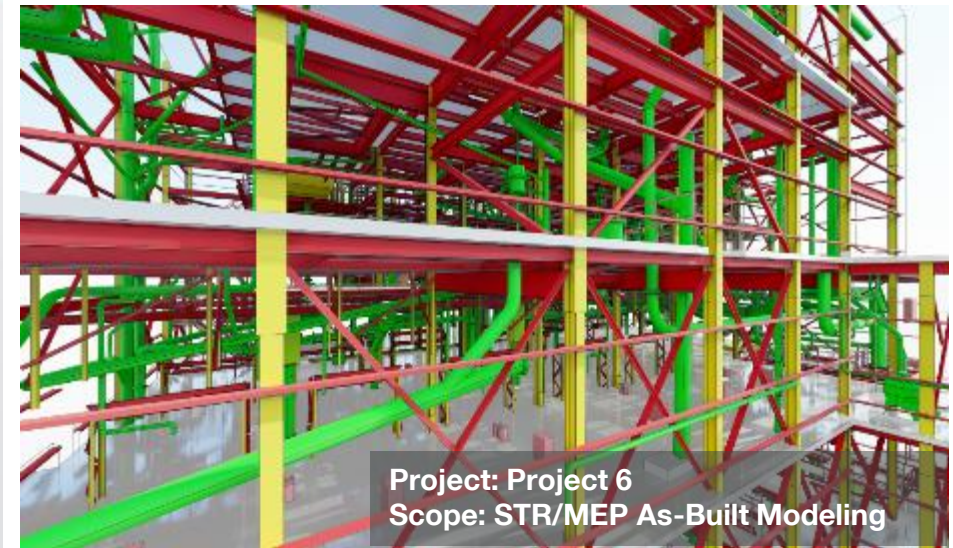

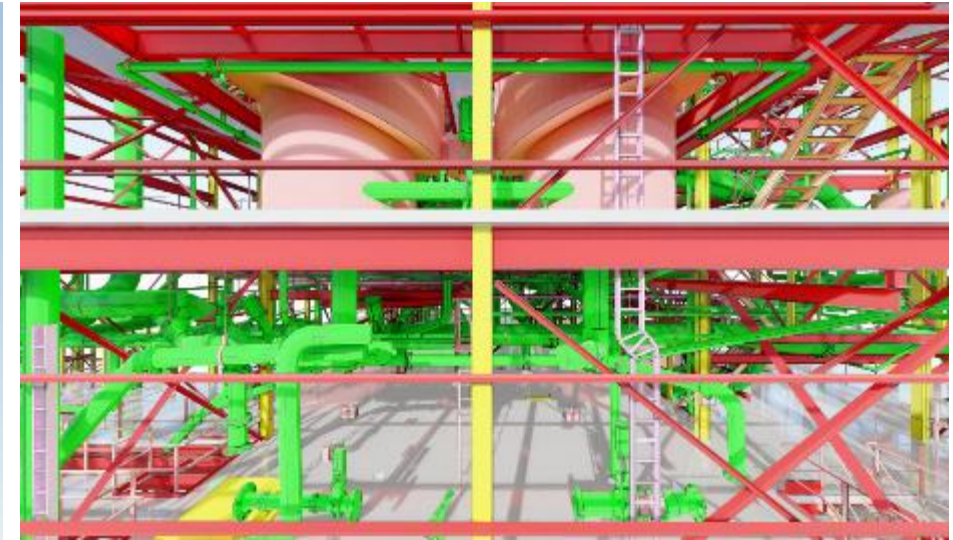

Project: Project 5
Floor Area: 81,000 Sq.M
Scope: Arch/STR/MEP As-Built
Modeling, Interior Fit-out Modeling &
4D Tagging

HTI Examples – Interior Fit-out Modeling

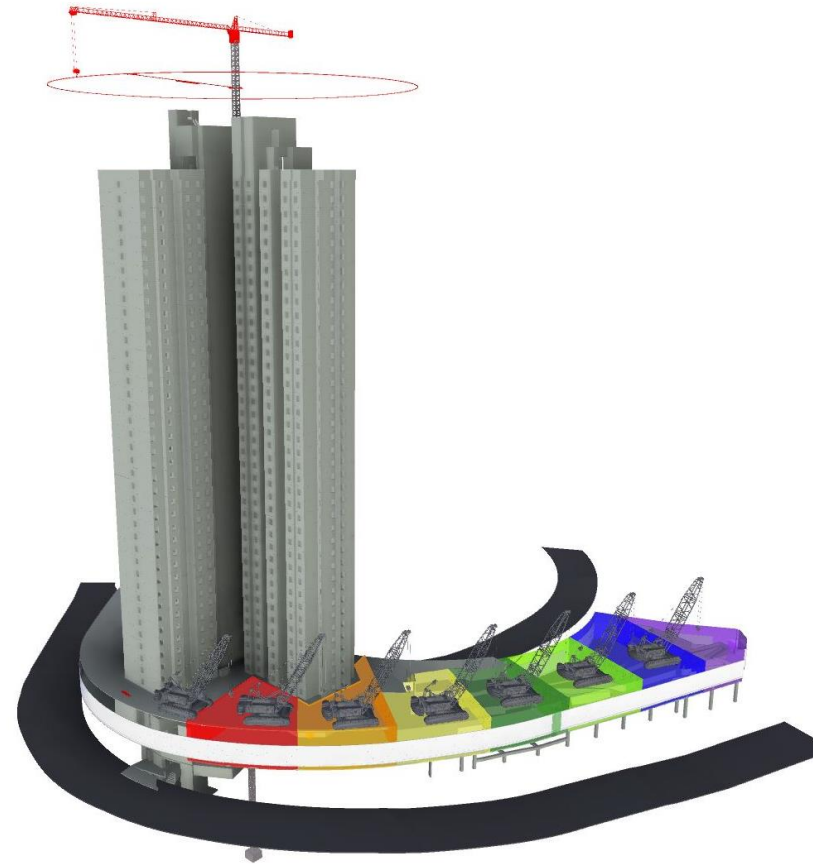

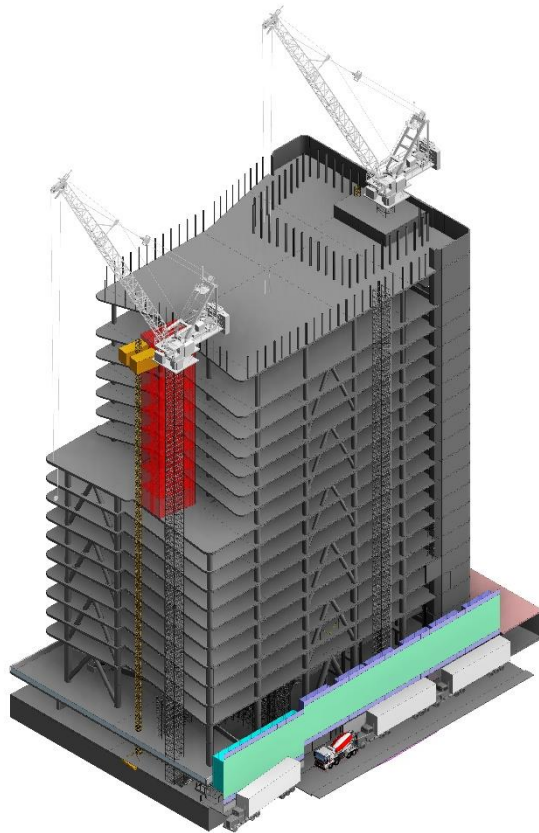

Project: Project 5
Floor Area: 5,000 Sq.M, 3 Floors
Scope: Interior Fit-out Modeling

HTI Examples – Structural Steel & MEP Modeling

Project: Project 6
Scope: STR/MEP As-Built Modeling

HTI Examples – Logistics and Precast Panel Erection and Crane Analysis Models

Project: Project 7 & 8
Scope: Logistics Modeling
