

## Accessories

### Logos

---

See your name in Stone. FeatherStone can cast a variety of characters, whether it is your name, address, corporate logo or a special message. Set yourself apart from your neighbors and competitors.

### Drip Edge

---

Drip edge completes your stone face by providing a finished top rail. Each piece is approximately 20" in length.

### Keystone

---

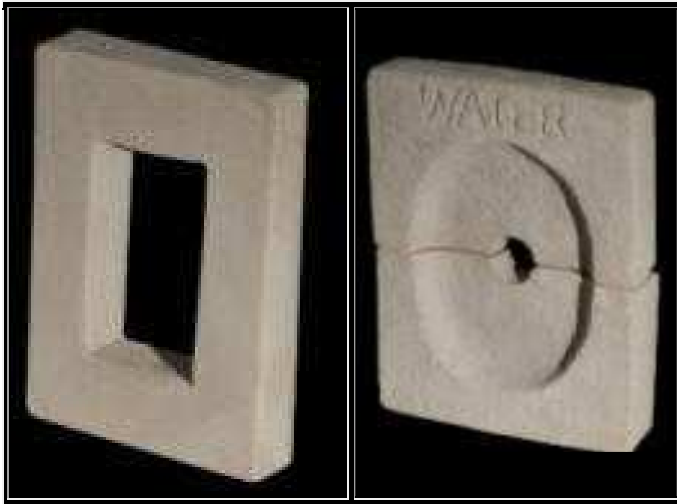

A keystone provides a central supporting element to door and window trim. Enjoy the elegance and charm of a FeatherStone keystone.

## Electrical Box & Water Faucet Trim

---

Add the finishing touch to your stone wall by enclosing electrical outlets and water faucets in attractive stone trim.

## Quoins

---

Quoins are corner stones that anchor the edge of the building wall giving the impression of strength and firmness to the outline of a building. Quoins provide a distinctive contrast with a stone finish.

## Trim Stone

---

The textured finish of FeatherStone's Trim Stones is the perfect way to complete your stone project around windows and doors. Combine FeatherStone Trim Stones with a FeatherStone Keystone to add elegance to your project.

## Window Sill

---

Add the beauty of a hand cut stone windowsill without the weight or the cost.
