

A PERFECT SWING GOLF ASSOCIATION

THE TRANSFORMATIVE NATURE OF GOLF

Golf has a special ability to open doors to a world of possibilities.

It's a sport that instills discipline and resilience and empowers individuals with lessons that stick with them far after their time on the course. Golf offers a space for exploration, curiosity, and growth along with connections that can transform lives and careers.

With each swing, limitations shatter, horizons expand, and endless opportunities unfold which is why we've created a place where people young and old can experience the game and soar.

WHO WE ARE

A Perfect Swing is a nonprofit and membership organization that hosts golf outings, clinics, social events, and trips aimed at creating a supportive community of golfers of all skill levels and from all walks of life.

What makes A Perfect Swing unique is its 501c-3 Foundation which focuses on ensuring that young people in its community have affordable access to golf. A Perfect Swing's adult membership fees, coupled with donations from the community, help provide its youth members free golf instruction, equipment, clothing, and more, along with mentorship to foster their success on and off the course.

OUR MISSION

A Perfect Swing Inc. helps golfers find a community that feels like family and together, prepares the next generation of young players for success on and off the golf course.

OUR FOUNDER

Ashaunta A. Epps, a distinguished "*Teacher of the Year & Professional of the Year*" within the LPGA, came to golf as a busy tech executive who'd grown tired of being sidelined from the conversations and decisions her colleagues were making during their time together on the golf course. Being left out was a feeling all too familiar for her, as injuries and surgeries as an adolescent had also kept her sidelined from sports. She set out to learn how to play golf for herself and quickly fell head over heels for the game.

The beauty of the course and the relationships she developed along the way drew her in, but what kept her enamored with the sport was the inner work and healing she experienced each time she put a tee in the ground.

In 2013, Ashaunta founded A Perfect Swing Inc., a membership organization and nonprofit whose mission is to provide youth and adults with the same connection, personal growth, and professional advancement she'd experienced through her foray into the game.

HER "WHY"

"After falling in love with golf, I decided that my purpose was to help children, mainly underprivileged ones, learn how to enhance their leadership and critical thinking skills while on the course and in life. I knew that golf was the king of sports in corporate arenas.

Hence, I created A Perfect Swing Foundation for youth participants and A Perfect Swing Golf Association for adults who desire to learn or enhance their competencies in golf."

OUR COMMUNITY

IT TAKES A VILLAGE

OUR COMMUNITY IS CULTIVATING THE RIPPLE EFFECT OF POSITIVE INFLUENCE.

We believe in the transformative power of mentorship, volunteering, and positive role modeling in shaping the lives of young golfers. Just as a swing refines with guidance, so do our youth with the support of a caring village. Through shared experiences on the greens, our dedicated mentors and volunteers uplift and empower the next generation of golfers.

Through A Perfect Swing's community of adults and young people, wisdom is shared over birdies and setbacks, perseverance is honed through bunkers and fairways, and life skills flourish with the camaraderie of the course. Together, we craft not only skilled golfers but also confident individuals ready to conquer challenges beyond the game.
