“Be still and know that I am God!
I am exalted among the nations,
I am exalted in the earth.” Psalm 46:10s

WHAT LOVE GOT TO DO WITH IT?

Artist Tina Turner, in her popular 1984 lyric, asked “What love got to do, got to do with it?” The answer to that question is simple, at least for those who claim to follow God’s example of radical love. The love that does not seek to condemn the world, but to breathe life anew in the world so the world may be safe! “What love got to do, got to do with it?” The answer is: love has ‘everything’ to do with it! In the Message version of 1 Corinthians 13:13 we read *“But for right now, until that completeness, we have three things to do to lead us toward that consummation: Trust steadily in God, hope unswervingly, love extravagantly. And the best of the three is love.”*

Love extravagantly means to love without any moderation, to love no matter what. We need this reminder now more than ever as members of local United Methodist congregations and local United Women in Faith groups are being divided over disaffiliation. We need to remember to love extravagantly when longtime friendships and sisterhood are being put to the test, so we do not cause them to go farther apart. The time to demonstrate the power of extravagant love is NOW! Amid the fragmentation, the uncertainty, the anxiety, we know love will prevail, despite our differences, if we make God’s mission our priority.

“What love got to do with it?” Love has ‘everything’ to do with it! We received the mandate from Jesus to love our neighbor as we love ourselves. In response to that mandate we, United Women in Faith members, vow to turn our faith, hope, and LOVE into action to make the world a better place for all God’s creation. We serve, we give, we advocate, we protest, we march because we want our neighbors, our community, our nation, and the world to experience Christ’s love in a tangible way. The theme for both our Spiritual Enrichment Retreat and the Conference Annual Meeting this year is “Answering the Call to Action Today.” Our action, as Christians and as

members of the United Women in Faith organization, is rooted in love. We must give priority to that call no matter what challenges we may face. As the Church of Jesus-Christ, our response should always be "Here I am Lord, send me." Rev. Juana Jordan will facilitate the retreat September 8-10, 2023, and Elizabeth Lee from the National Office will be the speaker at the annual meeting November 4th. I am delighted that these two servants have responded to the call to lead us through the theme. Please do add those two important dates to your calendar. You will be hearing more about them in a later edition of Genesis, on our website, Facebook page, and through your district newsletters.

I want to take this opportunity to wish each and everyone of you a fruitful and blessed year in your personal lives and all your local and district UWFaith activities! No matter what anxious and painful conversation is happening or not happening in your local church or around you, always remember to love extravagantly as love got 'everything' to do with who we are in Christ Jesus.

Secretary Notes

Greetings and congratulations to all new and returning Secretaries! You have an important role in your District or Unit. While taking minutes and sending them out to your members is a given, there are other duties that are important to do that support your leadership teams. The United Women in Faith bylaws state that minutes should be kept for easy access for four years and have four previous years in storage. Other things to keep are program directories, event agendas, event photos, and anything of a historical nature for your group. Letters of resignations and other important letters or notices should also be kept for the same time period. These may be digital or hard copies or both!

District secretaries should send a copy of all district officers with their contact information once your Annual Meeting takes place along with your Annual Meeting minutes to me, your Conference Secretary. Local Unit secretaries should send the same information about your local unit leaders to your District Secretary as soon as they are elected as well. Most importantly, changes and updates to leadership teams should be reported as they happen so information can be sent to the right people who need it to keep everyone informed. If anyone has any questions about other secretarial duties, please don't hesitate to contact me and I will do anything I can to help. I leave you with this prayer I found online:

“Dear Lord, help me to do my work well, to have the memory of an elephant and by some miracle to be able to do five things at once: answer four telephones while typing a letter that must go out today.” Author unknown

Social Action

Edith Zewadski-Bricker, Social Action Liaison to the Conference Leadership Team

God be with you as you press on toward the goal. (Philippians 3:12-16)

Actually, God is always with us, but are you with God? Take a step back from the noise and busy-ness in your life to get a proper, broader perspective... a justice perspective maybe? perhaps a global perspective? and always a spiritual perspective. Can you see yourself through God's eyes? Have you read So You Want to Talk About Race? Have you read White Fragility? Do you recycle, conserve energy, and advocate on behalf of the environment? The best resources I know to help us see ourselves in the big picture can be found at:

Study to show thyself approved unto God... - II Timothy 2:15a

United Women in Faith dispel ignorance. We have much to learn and unlearn to keep our brothers and sisters from harm...emotionally, physically, and financially...especially harm that we ourselves inflict on our siblings through our own ignorance. A recent Bible study asked, "Does ignorance absolve us from sin?" Fortunately, Jesus has intervened for us, "Lord forgive them for they know not what they do." Experiencing this grace makes me want to be more mature and less ignorant. How about you? Soooo...

SOUTH EAST DISTRICT CHERISHES THE BELOVED COMMUNITY

In December, the South East District held its annual “Celebrating the Beloved Community” event. Although it was held virtually, the spirit of Christmas was present, and we were blessed with a beautiful program and very special guest speaker. There were several scripture readings about the coming of Christ, the Lord, and we enjoyed lovely musical selections and participated in a very meaningful “Hanging of the Greens” responsive reading.

Members of various local units shared their own Christmas customs and special poems and skits. And our guest speaker was Dr. Lisa Miller, best-selling author and professor in the Clinical Psychology Program at Teachers College of Columbia University. Dr. Miller’s latest book, The Awakened Brain focuses on her years of research investigating the relationship between spirituality and mental health. Her groundbreaking exploration of the neuroscience of spirituality reveals that humans are universally equipped with a capacity for spirituality, and that our brains become more resilient and robust as a result of it. Dr. Miller’s research and presentation remind us that we are meant to be in relationship with God, and that relationship strengthens and guides us. What a blessing!
