## About Us

BRMetalwork LLC, of the D.C. Metropolitan area, provides exceptional structural, miscellaneous, aluminum, and stainless-steel services. Our line of products includes wrought iron fences, metal rails, metal joists, metal decking, and most metal products. Our services are ideal for both commercial and residential.

Our staff of professional engineers and AutoCad workers are prepared to handle any type of drawing. Our shop drawings are revised by our Engineer and submitted to our customer with the PE stamp to ensure the safety of the job.

Our professionals will come out, evaluate the job, discuss your needs, measure, and take pictures if needed to ensure a comprehensive quote.
