STREET LIGHT OUTAGES

If there is a streetlight out in front of your house, please report it to your electricity provider, Entergy, by calling them or going to their website to fill out an outage report at <https://www.entergy.com/streetlightrepair/>.

Please consider making a report the next time you see a streetlight outage in order to fix broken streetlights in a timelier manner.

HAPPY HOLIDAYS FROM MAGNOLIA

Magnolia Management Services would like to wish all Overton Walk residents and their families a happy holiday season!

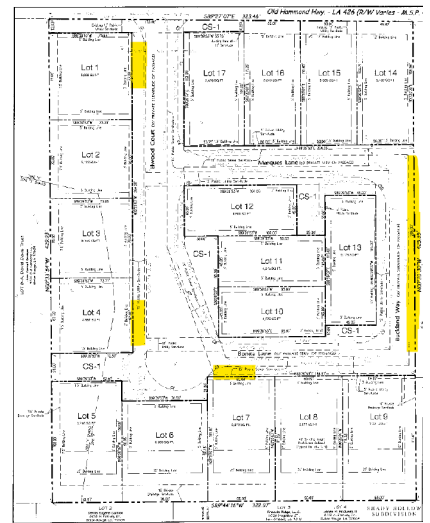

DESIGNATED VISITOR PARKING AREAS

We would like to remind all homeowners of the correct designated visitor parking areas, as highlighted in the picture below, especially since many residents will likely want to host gatherings this holiday season.

Due to the limited visitor parking areas, we hope that all neighbors can work together to accommodate their visitors.

Additionally, we ask that all residents please do not park on the sidewalks or gray areas.

Thank you.
