

MASKS

By making a **\$10 donation**, donors receive a beautiful handmade **face mask** made with **African fabric** purchased in Kenya by one of our volunteers. Imagine wearing the face mask knowing **YOU** have fed **5 children lunch** for an **ENTIRE month**. Each mask is reversible, creating 2 masks in 1. The masks are made in Alaska, The Project's home base, and can be mailed to anywhere in the US, just add \$1 for shipping costs.

A SPECIAL THANKS TO:

The Manyatta Committee in Lemong'o for their leadership and hard work to make food accessible to all during this challenging time.

Mary Werner in Anchorage, Alaska for the hours and hours spent sewing piles of gorgeous masks. And to all the supporters who have already pre-ordered masks.

Thank you to our supporters for sharing in our common bonds of humanity and remembering those across the globe who need our help. We will get through this pandemic together, and in a way that is inclusive of those who are most vulnerable. And, we will be better for the work we do, united as a global community.

At a time when we are all experiencing the pandemic, generosity is what brings people of all races, faiths, and political views together across the globe. Generosity gives everyone the power to make a positive change in the lives of others and is a fundamental value anyone can act on. This is an opportunity for people around the world to stand together in unity--to use their individual power of generosity to remain connected and heal.

THE LEMONG'O PROJECT

Nutrition
Education
Health
Employment
In Rural Kenya

MAY 2020

#GivingTuesdayNow

The Lemong'o Project is dedicated to providing support to the Maasai Village of Lemong'o in rural Kenya in the areas of health, nutrition, education and employment. We are committed to helping the beautiful people of Lemong'o not only thrive, but also prosper.

THE POWER OF 10

HELP feed the beautiful children of Lemong'o, Kenya during this time of great crisis with a \$10 donation to The Lemong'o Project's 10-day **"POWER OF 10" campaign.**

May 5, 2020, is #GivingTuesdayNow, a global day of generosity in response to the unprecedented need created by the COVID-19 pandemic. It's your opportunity to stand in unity with people from around the world – using your individual power of generosity and compassion to connect with and bring hope to those in great need.

Life in Lemong'o, in the best of times is a daily challenge, but the many closures imposed by the Kenyan government last month to protect the health of its citizens from COVID-19 have had a devastating impact on the community's ability to feed its children.

The village school, where The Project provides daily free hot lunches to hundreds of children, is now closed, and because of social distancing, we are no longer allowed to offer these lunches on school grounds.

Despite this critical challenge, The Lemong'o Project is committed to providing nutritious meals to the children. Working collaboratively with our village leadership team and with permission from the local government, we now have a plan to distribute food for the children (uncooked maize and beans) to families on a monthly basis.

To activate this plan, additional funds are urgently needed to feed as many children as possible. **Your \$10 donation will feed 5 children for an ENTIRE month!**

"POWER OF 10" campaign (May 5-14)

***MAKE** – a \$10 donation and receive a one-of-a-kind face mask created from fabric purchased in Kenya.

***YOUR** - \$10 donation will feed 5 children lunch for an ENTIRE month.

***TEN** - \$10 donations received each day for 10 days will generate \$1,000.

***FEED** - 500 children will be fed daily for an entire month because of \$10 donations from people just like you.

Many thanks!

Carolyn Tague, Founder and
The Lemong'o Project Board of Directors
