

LOCATION OF THE VIETNAM VETERANS MEMORIAL

The Ceremony and Dedication will take place in section Q next to the Committal Shelter. There is a walkway behind the shelter where the Memorial Monuments are placed. The area is highlighted by the Square on the map. Parking is very limited at the cemetery and you might want to arrive early. As you approach the cemetery on the main road you can enter on your left toward Section F or further down between P and Q. You can also park on the main road but do not block it and beware of traffic. Same across the road in Sections W and Y. Please be respectful of the gravesites when walking on the grounds.
