## ABOUT US & OUR MISSION

The Center Court Tennis Academy's mission is to develop players currently playing USTA tournaments that aspire to play high level high school tennis or any level of college tennis, by combining world class coaching with our brand new world-class tennis facility. We pride ourselves on following the USTA Youth Pathway Progression and adhering to strict USTA stroke and footwork Parameters.

Our Positive Family environment will encourage players to reach daily goals through the perfect combination of on-court: drilling, consistency, live ball, point construction, and match play with off-court: fitness, nutrition, video analysis, mental toughness and TEAM tournament coaching with travel.

Center Court Academy players will be encouraged to embrace a 24:7 mentality, strongly emphasizing that it takes a 24 hours a day, 7 days a week mindset to accomplish success in anything on and off the court.

**Enrollment Commitment**

When you enroll, you are paying for you child's placement in the session instead of their attendance. With your tuition payment, we reserve your child's class spot for the entire session and hold it for them, even if they have to miss. Often we have waitlists for classes. Due to this policy, we are not able to offer refunds for tuition or registration fees for missed classes or drops during the session unless you withdraw at least 24 hours before the first class.
