

Parliamentarian - Jill Brinkman

Hi, My Name is Jill Brinkman and I have been nominated for the Parliamentarian position. I served as Parliamentarian for the current year and I am interested in holding the same position for the upcoming school year. My daughter, Tiffany, will be a senior for the 2024-2025 school year. I have 3 other kiddo's that also keep me busy. My oldest, Blake, is in his second year at TCU. Wyatt will be an 8th grader at Stiles middle school and Weston will be a 6th grader at stiles. Prior to kids, I worked in orthodontics. I get to be a stay at home mom and LOVE it! I enjoyed being a homeroom mom for these pass 14 years and not sure how I feel about not having an elementary school age kid this coming up year. I'm looking forward to serving on the board and making it the best year yet!

Secretary - Jennifer Goodwill

Hi! My name is Jennifer Goodwill and I am running for the Secretary position of the board. My husband Trent and I have our Royal, Claire, who will be a junior next year, and our son Caleb who is a senior at Rouse and is headed to Tarleton State University in the fall. Caleb has been on the Raider soccer team since his freshman year where I have volunteered all 4 years, with the last 2 serving on the board as Hospitality chair. I would be able to use my prior board experience in this position on the Royals board and would love the opportunity to do so. Thank you!

Vice President - Crissy Wahl

Hi! My name is Crissy Wahl and I'm the current VP, running for VP again the 2024-2025 year. I have 2 daughters - Grace will be a senior and Olivia will be a freshman. Throughout my daughters' school years I've been room mom, booster club member, and have volunteered at many events. I have been with Dell for 21 years.

Treasuer - Karen Connair

I am Karen Connair, a parent of one of our current Rookies, Kailey. My husband and I are parents of both a Rouse and Wiley kiddo and 2 goofy dogs! As a candidate for Booster Club Treasurer, I bring a strong foundation of skills and experience to excel in this role. Dancing since age 2, I have a bachelors degree in Dance Education and have served in roles at both the studios and public schools. With over 13 years of teaching dance in Round Rock ISD, including directing Cedar Ridge Ensemble team, Nobility, I have an in-depth understanding of the unique financial and logistical needs of performance groups. My involvement both on the board of the Texas Dance Educators Association and as a founding member of Silver Spurs Booster, has provided me with practical experience in leadership positions, club management and budgeting. Additionally, my tech background, from my current role as an Instructional Technology Specialist, makes me proficient with spreadsheets and data organization, ensuring precise and transparent financial records. I look forward to the opportunity to serve on the Royals Booster and am committed to ensuring the club's financial health and professional monetary services, as well as supporting our amazing dancers, directors, and community!

President - Ashlea Lee

Hello! My name is Ashlea Lee. My husband and I have two daughters; Aikman (sophomore) and Hannah (8th grade). We have been a part of the Leander school district since 2013. When my oldest was in first grade, I started volunteering for the PTA. I served as room parent for multiple years, two years as treasurer, then two years as president. After serving as president, I returned to school, received my teaching degree, and now I proudly teach in LISD. Last year, I took part in establishing a booster club for the WMS Silver Spurs Dance Team, holding the position of hospitality director then served as secretary for the 23-24 school year. I also concurrently served as this year's member at large and sponsorship coordinator for the Royals booster board. I look forward to continuing my experience on the Rouse Royal's Booster Club and serving to the best of my ability as president for the 2024-2025 board year.

Member at Large - Angie Hollowell

My Daughter, Amanda, is a current Rookie and is very excited and grateful to join the team next year. I would love to support her, the team and the coaches behind the scenes any way I can to make this a special year for the girls. I served on the board for the Golden Sparks as secretary last year and watched how the experience helped to give the dancers confidence and the ability to work as a team. I currently practice optometry in Cedar Park which allows me to work with people and be a part of the community. I think one of the main purposes of the parent board is to find creative ways to fundraise and support the Royals team so they can perform and shine in all they do and create lasting memories. Thank you for the opportunity to serve as Member at Large.
