COMPROMISE TITLE SETTLEMENT AND LAND EXCHANGE AGREEMENT VINHOATVO 'HOVTG LHODMJN HO XLIO

The parties to this Agreement are the State of California, acting by and through the California
 to, inter alia, Chapter 74 of the Statutes of 1978, as amended by Chapter 728, Statutes of 1994, Chapter 317, Statutes of 1997, Chapter 745, Statutes 2001, and Chapter 361, Statutes of 2004, hereinafter referred to as "TRUSTEE," and the City of Newport Beach, a municipality,
 when being generally described or when acting in its dual role as Trustee and City is hereinafter

1. Upon its admission to the United States of America on September 9, 1850, the State of California, by virtue of its sovereignty under the Equal Footing Doctrine of the Constitution of the United States, received in trust for the people of California all right, title, and interest in previously ungranted tidelands and submerged lands within its boundaries for public trust purposes including but not limited to commerce, navigation and fisheries.
2. Pursuant to the provision of Division 6 of the Public Resources Code, including Sections 6216 and 6301 , the STATE is vested with all jurisdiction and authority as to the right, title, and interest in all ungranted tidelands and submerged lands held by California in trust for the benefit of all the people of the State of California and the reversionary interest of the State as to public trust lands legislatively granted to local governments.
TRUSTEE is trustee of the tide and submerged lands granted to it by the California Legislature, pursuant to, inter alia, Chapter 78 of the Statutes of 1978, as amended by Chapter 728, Statutes of 1994, Chapter 317, Statutes of 1997, Chapter 745, Statutes 2001, and Chapter 361, Statutes of 2004, hereinafter referred to as "statutory trust grant," which granted to the City of Newport Beach the State's right, title and interest in and to portions of the State's tidelands and submerged lands, of the City of Newport Beach, in trust for the public, and subject to certain terms, conditions, exceptions and reservations.
3. This Agreement concerns an approximately 10.3 acre parcel of real property located in. the City of Newport Beach, County of Orange, State of California, in lower Newport Bay between 15th and 18th street and is commonly referred to as Marina Park and referred to: throughout this Agreement, for convenience, as the "Subject Property" described in Exhibit A and shown for reference purposes only on Exhibit B.
4. This Agreement involves two parcels of land within the Subject Property. The Trust Termination Parcel is the area landward of the Agreed Boundary Line within the Subject Property which is described in Exhibit D and depicted for reference on Exhibit F. The Public Trust Parcel is the area waterward of the Agreed Boundary Line within the Subject Property which is described in Exhibit E and depicted for reference on Exhibit F.
5. Lower Newport Bay was formed by natural accretion of sand material carried by the Santa Ana River during flood stages. The location of the entrance channel to Lower Newport Bay was dredged in 1919. The Santa Ana River continued to discharge into Lower Newport Bay until 1921 when the County of Orange completed the construction of a new river outlet to the Pacific Ocean in the vicinity of 57 th Street in the City of Newport Beach.
6. In 1875 , the U.S. Coast and Geodetic Survey surveyed the topography in the vicinity of the Newport Bay (Register No. 1875). In 1889, S.H. Finley conducted a survey for the Government Land Office of swamp and overflowed laṇids adjacent to Newport Bay in . fractional township N6S, range N10W SBM which was officially approved by the U.S. Government June 30, 1890.

reserved to James McFadden. A portion of the Subject Property was also part of the 1034 acres of California Swamp Land List No. 106 that was patented to the State on August 16, 1902.
9. In 1902, McFadden sold his land to the founders of the Newport Company. The Newport Company conveyed a right of way to Pacific Electric Railway for the operation of its Balboa Peninsula route, which continued until in 1940 when the Newport Pier became the terminus for Pacific Electric Railway's southernmost route.
10. The U.S. Army Corps of Engineers surveyed Newport Bay in 1912 for harbor and navigation purposes.
11. On July 27, 1916, an Act of the U.S. Congress secured the establishment of the harbor lines in Lower Newport Bay. The harbor lines were subsequently revised on May 2, 1936 following the completion of improvements to Lower Newport Bay by the U.S. Government.
12. In 1918 and 1919, the south side of Newport Bay between 8th Street and 19th Street was dredged.
13. In July 1919, the California Legislature granted the tide and submerged lands within the City of Newport Beach to the City pursuant to the Statutes of 1919, Chapter 494. This. grant was subsequently repealed by the Statutes of 1978, Chapter 74, as amended.
14. In August 1919, the Pacific Electric Land Company conveyed portions of the Subject Property to the City.
15. The City brought several quiet title actions in the Orange County Superior Court against upland parcels of land in Lower Newport Bay in the 1920s. The cases were decided after the dredging and filling of Newport Bay was completed and set the boundary line
between the uplands and tidelands at the bulkhead line. The STATE was not a party to
these quiet title actions. However, pursuant to the Statutes of 1929, Chapter 142, the
California Legislature confirmed the court decrees establishing the ordinary high tide line for the various upland properties against which the City brought actions.
16. The Subject Property was not the subject of any of the quiet title actions described above. The area between 18th and 19th Streets adjacent to the Subject Property was subject to a boundary line agreement and quiet title action in 1941 and 1942 respectively. The 1942 quiet title action (SCC \# 40434, filed April 17, 1942, Orange County Recorder's Office Book 1145, Page 172) set the ordinary high tide line which is the boundary between tidelands and uplands for the property between 18th and 19th Streets.
17. The STATE has consistently maintained that a large portion of the Subject Property includes artificially filled sovereign tide and submerged lands that have been legislatively granted, in trust, to the City to manage on behalf of the State.
18. The CITY has consistently maintained that the bulkhead line is the boundary between State sovereign tide and submerged lands and uplands, which uplands have been acquired by the City from Pacific Electric Land Company and the Pacific Electric Railway Company.
19. The CITY desires to develop and improve the Subject Area as the proposed Marina Park development. For the past few decades mobile homes have been located on the Subject Property. As part of the Marina Park development, the CITY plans to build an expanded
marina, sailing center, community center, parking, Girl Scout house and provide open recreational space and public access to through the park and to the beach adjacent to the Lower Newport Bay.
20. The Parties, hereto, consider it expedient and necessary and in the best interests of the STATE, the CITY, the TRUSTEE and the public to enter into this compromise title
21. As part of this compromise title settlement and exchange agreement, the Parties deem it expedient and necessary and in their respective best interests to permanently fix and establish the location of the boundary between State sovereign lands and uplands by this Agreement as the Agreed Boundary Line as described in Exhibit C and depicted for reference on Exhibit F. This Agreed Boundary Line will represent the common boundary between sovereign lands of the state and City owned uplands within the Subject Property. 22. The STATE is authorized under Division 6 of the Public Resources Code, and specifically pursuant to Section 6307 thereof, to exchange interests in real property held by the STATE by reason of its sovereignty for interests in other lands of equal or greater value.
23. This Agreement provides for the TRUSTEE to quitclaim the Trust Termination Parcel to the STATE, substantially in the form of Exhibit G; and the STATE to terminate its public trust interests in the Trust Termination Parcel, and quitclaim all its interest in the Trust Termination Parcel to the CITY substantially in the form of Exhibit I.
24. This Agreement will terminate all public trust interest in the Trust Termination Parcel and will impress the Public Trust on the Public Trust Parcel. The STATE will hold the pue spuel posan people of the state as real property of the legal character of tide and submerged land the City's statutory trust grant

25. In the interest of settlement, the STATE and the CITY have conducted independent studies and evaluations of the title and boundary evidence, appraised value, case law, and ther relevant information concerning the Subject Property. Based on such efforts, the monetary value of the Public Trust Parcel to be conveyed to the STATE by the City is equal or greater in value than the sovereign interest in the Trust Termination Parcel to be quitclaimed by the STATE to the CIT.Y.
26. The Public Trust Parcel is beneficial to the public trust as it will enhance public access to the water through the creation of an aquatic beach front public park, open space, an expanded marina and boating facilities, in addition to providing opportunities for enhanced water-related recreation.
27. The Trust Termination Parcel has been filled and reclaimed and is above the current mean high tide and is a minimum distance of 65 feet more or less from the present location of the shoreline.
28. The Trust Termination Parcel is not necessary for public trust purposes of navigation, commerce and fisheries and the Public Trust Parcel to be acquired, because of its location and the proposed development, which includes open space, an expanded marina and sailing facility, aquatic beachfront public park, public access paths, and public parking, can be used more effectively by TRUSTEE in furtherance of public trust purposes than the Trust Termination Parcel to be conveyed.
29. Pursuant to Public Resources Code section 21080.11 and the California Code of
Regulations section 15282(f) this Agreement and the lease that is integral to this
Agreement are exempt from the requirements of the California Environmental Quality
Act as this is a settlement of the boundary and title problems. Pursuant to Government
Code Section 66412(e), provisions of the Subdivision Map Act do not apply to
agreements to which the California State Lands Commission is a party.
30. The CITY certified its EIR (\#2008051096) for the proposed Marina Park development on May 11, 2010.
31. The City by approval of agenda item \#26, at its meeting of September 13, 2011, approved this Agreement.
32. The STATE, by approval of agenda item \#C73, at its meeting of September 1, 2011, approved this Agreement.

## AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, the terms set forth below and for valuable consideration, the receipt of which is hereby acknowledged, the Parties mutually agree to the following terms and conditions and to convey certain property rights as follows:

## 

PROPERTY INTEREST EXCHANGE AND CONVEYANCES

## Establishing an Agreed Boundary Line

This Agreement is intended to clear title to the Subject Property and by necessity requires the creation of parcels having a common boundary line. The STATE and the CITY hereby agree to permanently fix and establish the location of a common boundary between sovereign fee lands of the State and City owned uplands as the Agreed Boundary Line as described in Exhibit $C$ and shown for reference on Exhibit $F$. This boundary line does not represent a determination of the location of the Ordinary High Water Mark or the Ordinary Low Water Mark as provided for in Public Resources Code Section 6357.
TRUSTEE to convey TRUST TERMMNATION PARCEL to STATE.
In consideration of STATE'S cooperation and assistance in facilitating the exchange of properties of TRUSTEE with CITY and STATE and the lease to TRUSTEE of the properties acquired by STATE from CITY, TRUSTEE agrees to remise, release, and forever quitclaim all its right, title and interest, existing by virtue of the Granting Statutes, in the Trust Termination Parcel (in substantially the form of the deed attached as Exhibit G) to STATE.

## CITY to convey PUBLIC TRUST PARCELS to STATE

In consideration of the agreement by STATE to convey Trust Termination Parcel to CITY, as provided in paragraph 1. D. below, CITY agrees to convey all its right, title and interest in the Public Trust Parcel (in substantially the form of the deed attached as Exhibit $H$ ) to STATE.
STATE to convey TRUST TERMINATION PARCEL to CITY.
In consideration of the agreement by CITY to convey to STATE all its right, title and interests in the Public Trust Parcel, as provided for in paragraph 1. C. above,
 Termination Parcel, free of the public trust (in substantially the form of the deed attached as Exhibit I).
E: STATE to grant to TRUSTEE a Lease for PUBLIC'TRUST PARCELS.
STATE to grant to TRUSTEE a Lease for PUBLIC TRUST PARCELS. In consideration of the agreement by TRUSTEE to convey to STATE all its right,
title and interests in the Trust Termination Parcel, as provided for in paragraph
 STATE for the Public Trust Parcel acquired from CITY in a lease consistent with the form shown in Exhibit J, hereto.
STATE'S Agreement to Accept the Property Interests to be Conveyed as provided in Paragraphs 1.B. STATE agrees to accept t
provided for in paragraph the property interests conveyed by TRUSTEE as
1.Beve. Said acceptance shall be made by the execution and recordation of Certificate of Acceptance in substantially the form of those attached as Exhibit K , hereto.
STATE＇S Agreement to Accept the Property Interests to be Conveyed as provided in Paragraphs 1．C．
STATE agrees to accept the property interests conveyed by CITY as provided for in paragraph 1．C．above．Said acceptance shall be made by the execution and recordation of Certificate of Acceptance in substantially the form of those attached as Exhibit L，hereto．
CITY＇S Agreement to Accept the Property Interests to be Conveyed as
CITY agrees to accept the property interests conveyed by STATE as provided for in paragraph 1．D．above．Said acceptance shall be made by the execution and recordation of Certificate of Acceptance in substantially the form of those attached as Exhibit M，hereto．

 necessary for STATE to transfer to TRUSTEE fee title，in trust and under substantially the same terms as the statutory trust grant，to the Public Trust Parcel in substantially the form of Exhibit N．

The Public Trust Parcel provides significant benefits to the public trust by enhancing public access to the water through the creation of an aquatic beachfront public park，open space，an expanded marina and boating facilities and public parking．
B．The exchange provided for in this Agreement does not substantially interfere with
 of access and navigation in the Public Trust Parcel．
C．The monetary yalue of the Public Trust Parcel to be conveyed to the STATE by the CITY is equal to or greater than the value of the Trust Termination Parcel to be quitclaimed by the STATE to the CITY．
芯 small parcel，cut off from water access and no longer is in fact tidelands or submerged lands or navigable waterways，by virtue of being filled or reclaimed， and is relatively useless for public trust purposes．
This Agreement is in the best interests of the state by removing a contested use of sovereign land at no expense to the STATE；enhancing public access to and along the water and creating an expanded marina and boating facilities，an aquatic beachfront public park，open space and other public trust consistent development．
This Agreement shall release any and all public trust claims from the Trust Termination Parcel that is being released by the STATE to the CITY and shal impose the public trust onto the Public Trust Parcel that is being received by the STATE from the CITY.
The exchange provided for in this Agreement is to enhance public access to and
 purposes; to preserve, enhance, or create open space; and, to resolve boundary or title disputes.
It is the intent of this Agreement, that to the extent that there are mineral rights present in either parcel, those rights shall be transferred with the corresponding surface estate.

## ADDITIONAL PROVISIONS

A. Acceptance of Conveyances and Consent to Recording.
Acceptance of this Agreement, STATE, TRUSTEE and CITY agree to accept the herein described conveyances of land and hereby consent to the recording of the conveyances and other documents executed pursuant to this Agreement.

## Further Assurances.

So long as authorized by applicable laws to do so, the Parties hereto will perform such other acts, and execute, acknowledge and deliver all further documents, conveyances and other instruments that may be necessary to effectuate fully the provisions of this Agreement.

The CITY shall indemnify, defend and hold harmless the STATE, its officers,

materials located, or which may come to be located at, on, over, under, or flowing
through the Public Trust Parcel, that may arise from this Agreement or the lands involved in this exchange.
No Admission or Effect if Agreement Not Made Effective. herein shall constitute, or be construed as, an admission by any Party or evidence concerning the boundaries, physical character, or character of title to or interest in the Subject Property.

## No Effect on Other Lands.

The provisions of this Agreement do not constitute, nor are they to be construed as, an admission by any party or evidence concerning the boundaries, physical character, or character of title to or interest in any lands outside the Subject Property.

## Impacts of Sea Level Rise.

The fee title boundaries established and conveyances made pursuant to this Agreement are intended to be fixed and not subject to change by erosion, accretion, reliction or submergence whether due to natural or artificial causes. However, should lands freed of the Public Trust become inundated from waters of or adjacent to Newport Bay, the Pacific Ocean or any other waters, whether due to either erosion or sea level rise that results in the land being submerged or subject to the ebb and flow of the tide below the elevation of mean high water, the lands for so long as such conditions exist will be subject to the Public Trust easement.
Nothing in this section is intended to limit (a) rights a Party may have under applicable law to take actions to preserve the boundaries established by this Agreement, including without limitation the rights of any Party to undertake measures to protect their respective properties, including lands freed from the

 Cal.App.3d 1040.
Nothing in this Agreement obligates the STATE or the TRUSTEE to protect or cause to be protected any privately held uplands, including, but not limited to,

 manner be liable to the owners of upland properties within the Subject Area for
failure to provide protection against sea level rise.
