Exodus 19-20

Given to us by the One who designed us, the Ten Commandments are tailor made for quality living in this world.

Why should we study this ancient commands today?

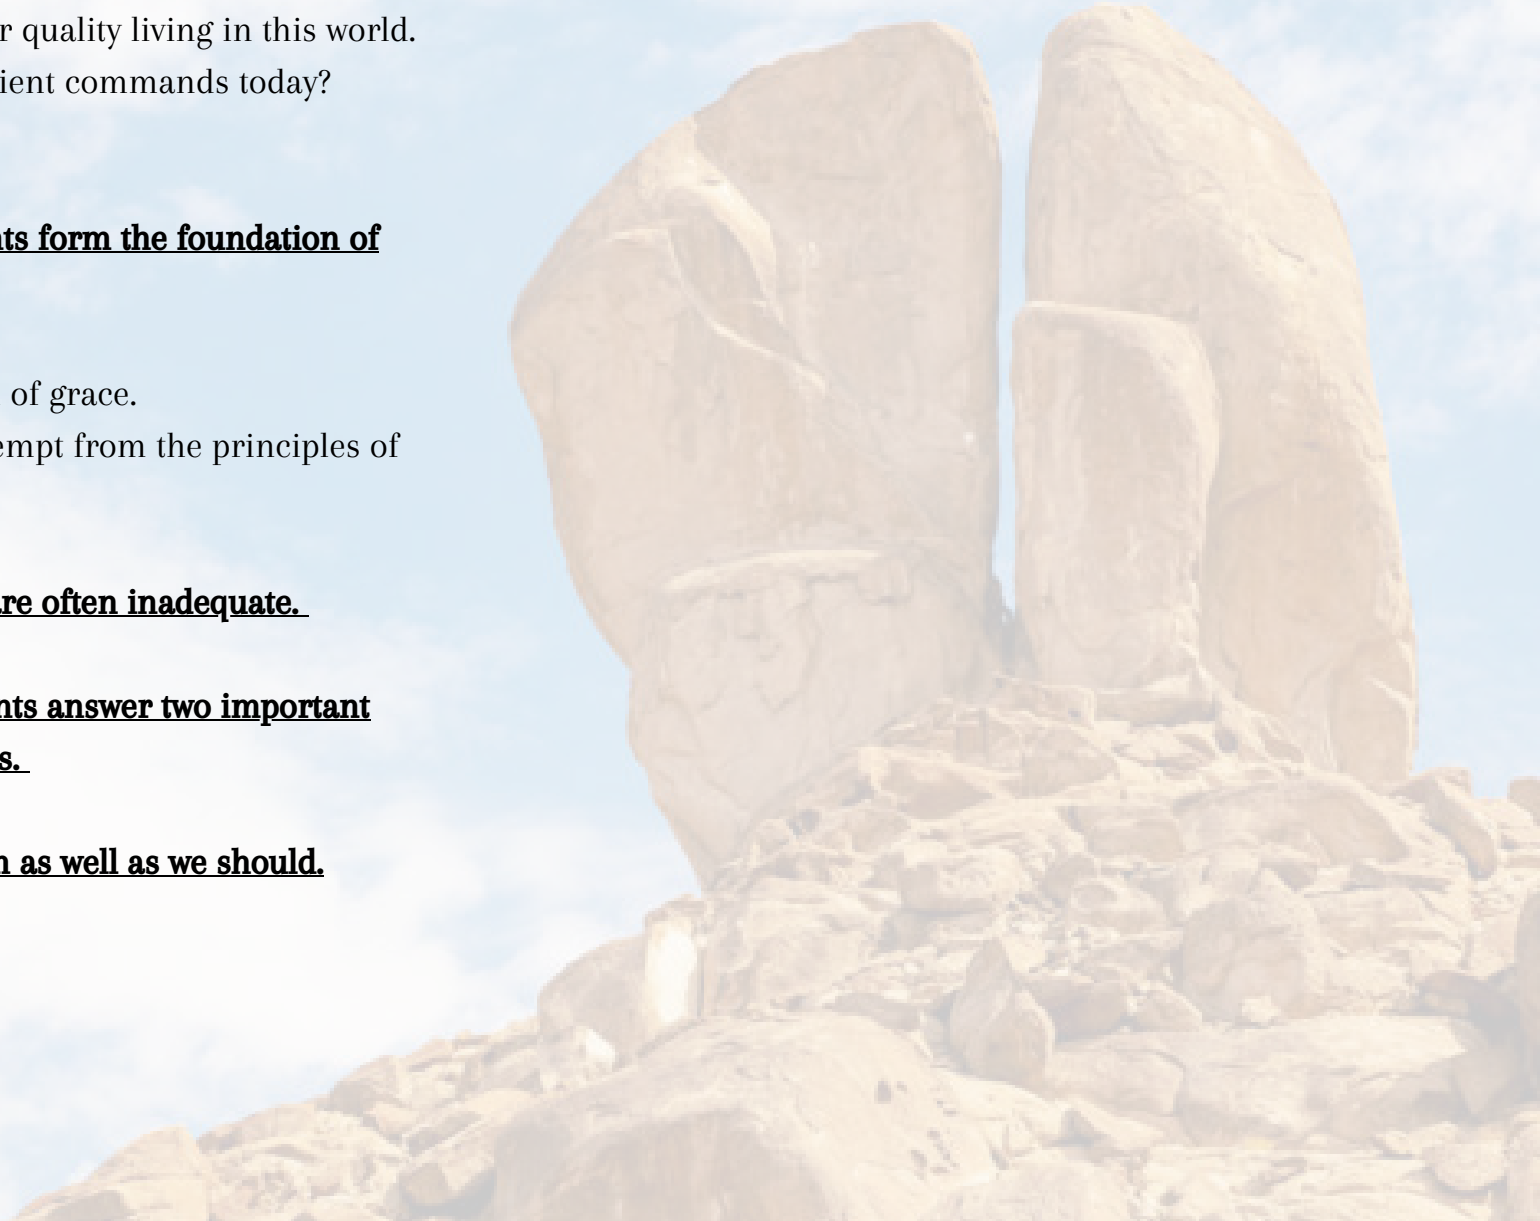

...Because the Ten Commandments form the foundation of grace.

1. The Lord has always been a God of grace.
2. Grace does not mean we are exempt from the principles of the Ten Commandments.

...Because man-made laws are often inadequate.

...Because the Ten Commandments answer two important questions.

...Because we don't know them as well as we should.
