

No No No Nooooo: Alice String

It's incredible
How formidable
A three year old can be

Hands on hips
Eyes aglow
No No No Nooooo

It's unbelievable
How unopenable
A three-year-olds grasp can be

Hands clasped tight
Yells with all her might
It's mine, it's mine, it's mine!

It's unimaginable
How amenable
A three year old can be

Lollies are her folly
Cheeks bulging and jolly,
She coos so sugar sweet

It's undeniable
How irresistible
A three-year-old can be

I love you granny
She smiles so canny
She's a formidable force for me.
