

RD Certificate Number: EWW555

Durisol 365 ICF Wall construction System

Description

This is an assessment of Durisol 365 ICF Wall construction System. The system provides a dry laid insulated shuttering system that incorporates, following the concrete pour, a Lattice/Matrix structural concrete frame.

The system has achieved BBA Certification and a BRE Environmental profile rating of A.

The BRE profile is currently at renewal stage and an application has been made to renew the certificate.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations. LABC Warranty also accepts its use when installed and used in accordance with and in relation to LABC Warranty's current Technical Standards.

Registration was first issued on 06/07/15 and is valid until 06/07/22 providing there are no amendments to applicable regulations.

Issue dated 16/07/2019
