

The Town Of Roseboom

Otsego County, New York

Driveway Permit Application

Fee to file: \$25.00

Date of Application: _____

Application #: _____

Name of Applicant: _____

Phone #: _____

Physical Address: _____

Mailing Address (if different than physical): _____

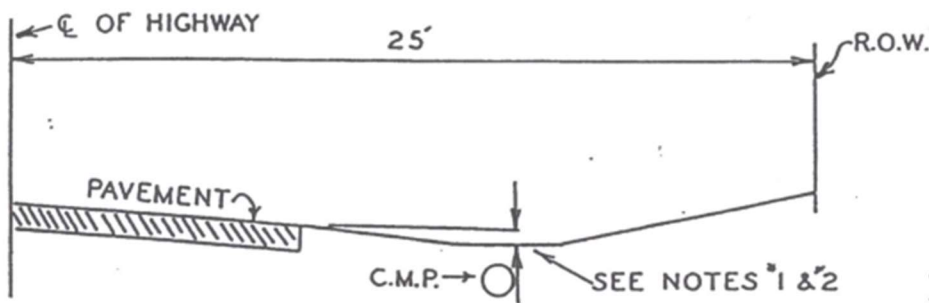

Property owner is responsible for the cost of the driveway culvert tube and all materials associated with the installation. These costs are in addition to the \$25 permit fee.

The town will cover the maintenance of the tube, and replacement if needed, thereafter. Specifications of the culvert and installation will be determined by the Highway Superintendent.

This section will be completed by the Highway Superintendent.

Culvert diameter: _____ Length: _____ Location on Right of Way: _____

Typical Culvert Installation

- *1. Driveway approach shall be a minimum of 4" below the edge of the pavement to prevent water from flowing onto the pavement.
- *2. No alterations of this construction will be allowed.

Date Hwy Supt. Approved: _____ Cost estimate given to property owner: _____

Date Installed: _____ Final Cost: _____

Payment received on: _____ Payment type: Cash Check Check # _____
