## COLLEGE/UNIVERSITY RELATIONSHIPS

At Alpha Sigma Phi Fraternity, our goal is to enhance each college/university at which we have a chapter. As President, you are the face of the chapter/provisional chapter. It is your responsibility to ensure your chapter/provisional chapter is actively involved and playing a positive role at your institution. Two ways you can do that is by developing and maintaining relationships with your Fraternity/Sorority Life Advisor and Interfraternity Council/Greek Council.

### RELATIONSHIP WITH YOUR FRATERNITY/SORORITY LIFE ADVISOR (FSA)

- Your Fraternity/Sorority Life Advisor's role is to assist each chapter on your campus with operations, including recruitment, academics, event planning, philanthropy, etc.
- You should be meeting with your FSA at least once a month. During this meeting, you should update him/her on upcoming events, seek advice on issues, go over upcoming deadlines, etc. You should probably schedule these meetings instead of relying on the FSA to initiate.
- When meeting with your Fraternity/Sorority Life Advisor, ensure that you dress appropriately (collared shirt) and come prepared with pen and paper. You should also come with a list of items you'd like to discuss and/or questions you have.
- Share positive news! When your chapter/provisional chapter is involved in a community service project or wins an award, email to let him/her know.
- Find ways to integrate your Fraternity/Sorority Life Advisor with members of your chapter/provisional chapter. This includes having your FSA talk to your new members about the Greek community or having your Prudential Board take him/her out to lunch.

### RELATIONSHIP WITH YOUR INTERFRATERNITY COUNCIL (IFC)/GREEK COUNCIL

- The Council's purpose is to advance fraternity on campus and provide leadership to the community.
- As President, it is your responsibility to serve as the IFC Delegate, which includes attending all IFC meetings.
- Make it a priority to have at least one member run for the IFC executive board annually.
- Lead by example as a chapter/provisional chapter and ensure we are a part of the solution, not the problem.
- Embrace expansion of other fraternities.
- Invite the IFC President to lunch and learn more about his goals for his term.
- Participate in philanthropic events of other fraternities.
- Be interfraternal.
