

GRIT

CONSULTING, LLC

THE PASSION AND PERSEVERANCE TO ACHIEVE LONG TERM GOALS.

Grit Consulting, LLC is a New York State licensed, bonded and insured Private Investigation company founded in 2017 by retired FBI Supervisory Special Agent Steven M. Troyd.

Grit Consulting draws upon a network of retired FBI Agents and Task Force Officers developed during the 29-year career of its founder to provide a robust investigative resource for our clients.

PRE-EMPLOYMENT INVESTIGATIONS

Vet and verify employees through employment, reference and neighborhood interviews, records checks, and social media review. Conduct federal, state and local criminal history checks. Obtain driver license records.

EMPLOYEE MISCONDUCT

Professional surveillance teams will conduct investigations of Time & Attendance fraud and abuse, misuse, and theft of company property. Use undercover operations to expose misconduct.

POST EMPLOYMENT INVESTIGATION

Armed protection of staff in the workplace during an employee termination and/or round the clock due to an anonymous threat. Surveillance of terminated employee for security purposes.

EXECUTIVE PROTECTION

Close armed protection of Executives at workplace and residence who are under overt or anonymous threat or vulnerable to elevated risk due to their employment.
