Mission and Values

Steel Town Gunslingers (STG) are Western Pennsylvania's cowboy mounted shooting club. We are proudly affiliated with the Cowboy Mounted Shooting Association (CMSA). Cowboy Mounted Shooting is the Fastest Growing Equestrian Sport in the Nation. Mounted contestants compete in this fast action timed event using two .45 caliber single action revolvers, .44 lever action rifles and .410 side by side shotguns each loaded with specially prepared blank ammunition.

CMSA has a variety of levels of competition for everyone, ranging from novice levels to the seasoned professional. CMSA Sanctioned events are held throughout the United States and Canada. Our STG CMSA sanctioned events draw both competitors and spectators from all around the northeastern and southeastern region.

Our demographic audience and contestants appeals to all ages and disciplines of equestrians and gun sport enthusiasts. There are classes of competition for everyone. STG shooters compete not only locally, but in State, Regional, National and World Championship events. At each match, special recognition is given to the high point and reserve overall shooters in both men's and ladies divisions, as well as special awards for our young competitors (Wranglers). The division for competitors are as follows: Limited Wranglers (children under age 10), Open Wranglers (age 10-11), Adult (12 and over), and Seniors (age 50 and over). Each division has six levels of competition, so there is literally a class for everyone!

Our members are dedicated to the sport of Cowboy Mounted Shooting, the care of their equestrian partners and responsible gun ownership. We uniquely support the American Western, Historical Cavalry and the values of that way of life. We exhibit loyalty and appreciation for our valued sponsors.
