Our Vision

The Vision of the Anglican Church of the Resurrection is to strengthen families through classical biblical Christian values, to reach out to young people through the stability of the unchanging Christian Tradition passed on from earliest times, and preserve and teach the rich treasure that is the classical Anglican way of faith.

Our Mission

Our mission is to provide a genuine and living relationship with God through Christ; a stable and loving church home to all people seeking God's truth; to provide pastoral care to those who struggle with addictions and life's hardships; to instruct people in the Christian faith in such a way that it leads to stability, freedom, and blessing.
