

# Support Systems

## Support Rings

- Support rings are designed to aid in healthy, upright growth for top heavy plants
- Fits Panterra®, DecoStone, Ultra Series® and Azalea Pots

## Plant Support Systems

- Designed to aid in healthy, upright growth of a wide range of top-heavy plants
- Cage Systems fit Dillen Thinwall Pots, Hanging Poinsettia Pots, Standard Stock Pots, and our 10.00 Color Pot 3 for added convenience
- Mum Support Rings are a cost-effective alternative for tall plant support and are compatible with any pot size

## Mum Netting

- Precut in three popular sizes
- Cost effective alternative to support rings
- Large 2" square to fit plant stems
- Made green to blend in with plant material

## Injection Spacer & Trays

- Ideal for multiple transport, growing and shipping applications.
- Open design provides spacing for optimal plant growth and prevents soil from collecting in fill operations.
- Perfect for capillary mats, ebb and flood, or flooded floor watering systems
- Designed for superior durability and strength for multiple transport, growing and shipping applications

## Mini Series Pots & Trays

- Mini pot and interconnecting water reservoir tray system ensure your succulents and small plants show well at retail.
- Standard colors include Terra Cotta pots with white trays.

## Bulb Pans & Plant Support Systems

- Bulb Pans come in an array of sizes to meet any need
- Durable construction to accommodate most bulb crops and withstand cold temperatures
