Travel Protection

Because most airline tickets issued for group travel are nonrefundable, purchasing travel protection to protect oneself against unforeseeable events that may impact travel plans is highly recommended for tour members. Through the plan administrator **Trip Mate**, MCI has several travel protection plans available for tour members to purchase. These plans help protect tour members from situations such as *Trip Cancellation*, *Trip Interruption*, *Travel Delay*, or *Emergency Medical Expenses*. Music Celebrations International provides enrollment forms for travel protection to all tour directors or tour coordinators to distribute to tour members.

WHAT TRAVEL PROTECTION COVERS

- **Trip Cancellation and Trip Interruption** provide coverage for cancellation or interruption of a trip due to reasons such as injury, illness or death suffered by the insured or a member of the insured's immediate family.
- **Emergency Medical Expense** covers reasonable medical costs if emergency medical treatment is required while on the trip. Tour members are encouraged to check their current health insurance to see if it covers international travel.
- **Baggage Protection** provides coverage for loss, damage or theft of baggage and personal belongings. Tour members are encouraged to check to see if they are covered for baggage loss under their homeowner's policy.
- **CFAR/Cancel For Any Reason** gives tour members the option to cancel their tour for any reason up to 48 hours prior to the scheduled departure date and be reimbursed 75% of the nonrefundable costs paid for their trip. CFAR coverage is only offered in the Premier Plan Upgrade, and is not available to residents of the state of New York.

TRAVEL PROTECTION FAQ (Prepared by Trip Mate)

What is CFAR? What does CFAR cover?

CFAR stands for “cancel for any reason.” With CFAR tour members can cancel for any reason that is not a covered reason for Trip Cancellation by filing a claim for 75% of their *non-recoverable* investment. The request for cancellation must be received by MCI’s office in writing up to 2 days prior to the tour’s scheduled departure date.

Are doctors available on call through the travel protection plans?

Our standard and premier plans include multi-lingual medical professionals available 24 hours a day to provide help, advice, and referrals for medical emergencies. They can help you locate local physicians, dentists, or medical facilities, and provide services for:

- Medical Consultation & Monitoring
- Medical Evacuation Arrangements
- Emergency Medical Payments
- Prescription Assistance
- Repatriation of Remains Arrangement
- 24-Hour Legal Assistance
- Language Interpretation Services
- Emergency Cash Transfer

Please Note: These are non-insurance services provided by Generali Global Assistance and not underwritten by US Fire Insurance Company

What is considered to be a covered quarantine?

“Quarantine” is a strict medical isolation imposed by a recognized government authority, their authorized deputies, a medical examiner or a physician to prevent the spread of a disease. An order is not considered to impose a strict medical isolation unless the order requires the relevant person to be confined twenty-four hours per day, seven days a week throughout its duration.

What happens if a tour member needs to quarantine on tour?

Our premier plan includes Travel Delay coverage with a benefit of up to \$2,800 total (\$200/day). If a tour member contracts the Coronavirus and needs to be quarantined (as defined above), Travel Delay provides coverage for additional expenses for reasonable accommodations, meal and local transportation expenses.

Is there a deadline for purchasing the premier plan?

Tour members can purchase travel protection up until 60 days prior to departure (all payments and documents need to be received by MCI no later than 60 days prior to departure).

Will a cancellation be covered by the Standard Coverage if a tour member has to cancel prior to departure?

Only if the tour member is canceling for a covered reason as outlined in the plan documents. The Standard Plan has a very limited amount of coverage (\$600 of the tour cost). Purchasing the Premier Plan with “Cancel for Any Reason” (CFAR) is the best way for tour members to protect their investment.

Is CFAR/Cancel For Any Reason available to tour members from all 50 states?

Tour members from all US states, except New York, are eligible to file a claim under CFAR/Cancel For Any Reason.

If a tour member is a resident of the state of New York: is it worth it for them to buy upgraded travel protection if they cannot get CFAR/Cancel For Any Reason coverage?

Yes, it is worth it to buy the upgraded protection. Even without CFAR/Cancel For Any Reason coverage, tour members will still be eligible for the \$200 a day/\$2800 total Travel Delay benefit (which includes certain coverages during quarantine, as noted above), as well as multiple other benefits.

If a tour member lives in any state (other than New York), do they have a choice as to whether they buy the upgraded plan with CFAR or without CFAR?

Yes, tour members have a choice to either buy the upgraded plan with CFAR or without CFAR. Trip Mate highly recommends all eligible tour members to buy the upgraded plan with the CFAR coverage.

What if an individual decides not to travel, but the group is moving forward?

If an individual decides not to travel but the group is moving ahead, you will follow MCI’s cancellation penalty structure for your group. Whatever the non-recoverable amount adds up to is what the individual tour member would file their claim for with Trip Mate. The individual can receive full reimbursement of their non-recoverable tour expenses if their reason for cancelling their tour is covered under the Trip Cancellation coverage. If the individual’s reason for cancelling their tour is not covered under the Trip Cancellation coverage, they can receive 75% reimbursement of non-recoverable tour expenses, provided they have purchased the upgraded plan with CFAR/Cancel For Any Reason coverage.

Where can tour members go for questions about the travel protection plans?

MCI can help with questions on pricing related to travel protection. However, if tour members have any coverage questions, they can reach out to the travel protection plan administrator, Trip Mate.

HOW DO TOUR MEMBERS CALCULATE THEIR PLAN COST? (STANDARD INCLUDED)

To calculate a tour member’s plan cost for the Premier Plan, take their total trip cost minus \$600 and find the range on the grid below.

Premier Plan Costs (#UF3700M)		
Trip Cost	With Cancel for Any Reason*	Without Cancel for Any Reason
Up to \$250	\$38.00	\$24.00
\$251 - \$500	\$44.00	\$28.00
\$501 - \$750	\$71.00	\$45.00
\$751 - \$1,000	\$85.00	\$54.00
\$1,001 - \$1,500	\$115.00	\$73.00
\$1,501 - \$2,000	\$137.00	\$86.00
\$2,001 - \$2,500	\$190.00	\$120.00
\$2,501 - \$3,000	\$212.00	\$134.00
\$3,001 - \$4,000	\$244.00	\$154.00
\$4,001 - \$5,000	\$330.00	\$208.00
\$5,001 - \$6,000	\$374.00	\$236.00
\$6,001 - \$7,500	\$439.00	\$278.00
\$7,501 - \$9,000	\$508.00	\$321.00
\$9,001 - \$10,000	\$586.00	\$370.00

* Not available to residents of the State of New York.

Example: The total tour package costs are \$4000. \$4000 - \$600 = \$3400. They would pay the plan cost to protect the remaining \$3400 to upgrade to the Premier Plan, which would be \$244 with CFAR or \$154 without CFAR.
