

# SOOTHING SUNSETS

It's been a long day.  
Your head is filled with a to do list a mile long.  
So much to get to, but wait...

Grab a blanket or a chair;  
invite a friend or a loved one.  
The nightly show is about to start.  
You can be on a beach or in your backyard.  
THIS performance is broadcast worldwide.  
The sun is about to set.

Watching a sunset gives moments  
of peaceful pause.

A chance to reflect and just "be".  
To marvel at this beautiful farewell to the day.  
A chance to take everything in and be grateful.  
Come back again tomorrow, and the day after.  
You've always got a free ticket.
