

STRATEGIC PLAN

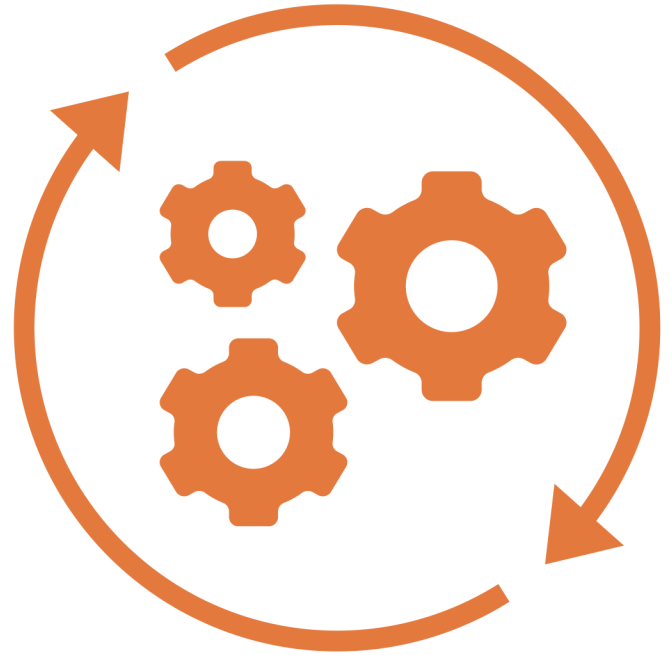

2023

NETWORK OPERATIONS

GOAL

Be a high-functioning, efficient Network that welcomes and fosters meaningful participation with its members and works toward long-term sustainability.

OBJECTIVES

Invest in strengthening the collaborative capacity of the Network.

Research and pursue strategies to diversify Network funding and reduce reliance on time-limited funding.

Identify and regularly review the operational functions and staffing needed to sustain the functions of the Network.

SHARED MEASUREMENT

GOAL

Utilize key metrics, created with a health equity lens, to show the progress and impact of our work; and to galvanize members and the community to work together to achieve our common goals.

OBJECTIVES

Establish a set of realistic and relevant metrics that measure Network development, strategy implementation, and community health impact.

Establish system of ongoing data collection, monitoring, and analysis.

Regularly communicate and share metric data with Network members and the community.

COMMUNICATION & OUTREACH

GOAL

Share the value and impact of the Network with the community to generate excitement and support for our contributions to the health and well-being of the community.

OBJECTIVES

Communicate regularly to community audiences about the work and the value of the Network.

Communicate the value of the Network's work to potential funders.

HEALTH EQUITY

GOAL

Ensure that addressing health equity is intertwined in all the work we do.

OBJECTIVES

Bring a health equity lens to emergent community needs and initiatives.

Support Network capacity to advance health equity.

Meaningfully engage people with lived experiences (PWLE) in the work of the Network.

Create a tool and process to ensure health equity is intertwined in Network activities.
