

Effective 2/1/20

Merlube Private Label Information

Merlube provides a private label program for resale customers. The only product we presently private label is our solid **517 Power Lube**. What follows is a very “general” description of that program.

General Information

There are two categories of private label customers: Industrial Distributors and Retailers.

General conditions:

You supply the label to our specifications and we label in our approved container:
we fill, cap and label.

We send unlabelled finished product in our approved containers and you label the
tubes.

We only pack for bulk shipment.

For more detailed information contact us.
