"X's" with Pinwheels for the Kids – August 2020 Block of the Month

Block size – 12" finished. Your block should be 12.5" unfinished.

Blocks will be used to make cuddle quilts for Turtle Camp kids!

For each block you will need:

<u>FABRIC, COLOR</u>	<u>CUT SIZE</u>	<u>HOW MANY</u>
<u>Medium fabric -for pinwheel</u>	4" x 4" Squares	2
<u>Darker fabric -for "X"</u>	4" x 4" Squares	8
<u>White or Light background:</u>	4" x 4" Squares	6

STEP 1: Using two of the 4" dark and two 4" medium squares, draw a line from corner to corner on backs of medium 4"x4" squares.

STEP 2: With right sides together, layer the medium squares onto the dark 4" squares and sew a 1/4" seam on both sides of the drawn line. You are making Half Square Triangles (HSTs).

STEP 3: Cut on the drawn line and press each HST to the dark side. TRIM squares to measure 3.5"x 3.5". Make 4. Set aside.

STEP 4: Using the six 4" light squares and the remaining 4" dark squares, make HSTs like in Step 2. Press and trim to 3.5" square. Makes 12.

STEP 5: Assemble the four HSTs from Step 3 to make a pinwheel and sew as shown. Press center seam open. Unit should measure 6.5" x 6.5".

STEP 6: Follow the diagram closely using four of the light/dark HSTs from Step 4 and sew both the top and bottom rows.

STEP 7: Again follow the diagram closely using two HSTs to make each of the side units.

Step 8: Now assemble the units from the prior steps with the center Pinwheel to make the block. Measures 12.5" x 12.5".

You have made a "X or kiss" for the kids! XO
