

## SANTA CLARITA VALLEY QUILT GUILD

*Our mission is to stimulate an interest in quilts, to promote and advance the art of quilt making, to conduct educational programs and services in the design techniques and preservation of quilts and quilt making; and to promote quilting in philanthropic endeavors.*

### PRESIDENT'S MESSAGE

I hope your holidays are/were wonderful – I know it's difficult this year, still being at least somewhat isolated, but I hope you were at least able to spend some time with those you love.

This is my 25th article as President of our guild – having served for a couple of years about a decade or so ago. It gets tough trying to come up with something of value for you all to read, so I have decided this term to spend some time talking about the history of our avocation. I hope you enjoy reading it as much as I enjoy researching it.

The word "quilt" derives from the Latin word "culcita," meaning stuffed mattress or cushion. No one is exactly sure when quilting began, but from evidence found in the Temple of Osiris at Abydos, Egypt. It seems that people wore quilted clothing as many as 5000 years ago.

Evidence of quilt work was found in Asia in late BC and early AD years. Quilting became evident in Europe in the 12th century – it was discovered that the Crusaders wore quilted garments under their armor for comfort, warmth and protection. You can just imagine women trying to make the wearing of armor somewhat more comfortable for their men!

One of the earliest decorative quilts made in the 14th century is the Tristan Quilt. Made in Sicily, it is one of the oldest surviving quilts in the world. You can find a section in the V&A Museum in London, England and another in the Bargello Palace in Florence, Italy.

In the 14th and 15th centuries, wealthy and important figures made quilted 'doublets' — fashionable outerwear. From written evidence we know that British people certainly used bed quilts, under and over a mattress, from the 15th Century, but we cannot be sure what they were like because the quilts have not survived.

Quilting as a craft came to America with the Puritans. Quilts were made in those early days in America to serve a purpose, to provide warmth at night and to cover doors and windows to help reduce cold. Quilts were often functional, with little time for women to create decorative quilts. Often, money and other resources were limited so quilts were made with what was available, often old clothing no longer needed by family members. Batting was created by hand from carded cotton. Worn quilts were patched together or cut apart to make another

usable quilt. Those early quilts tell the history not only of early American quilting, but also the early history of the country.

Fascinating, isn't it? What wonderful history we continue to make with our creations! Next month, we will look at American quilting in the 18th Century. I look forward to seeing you all at our January Zoom Meeting! Until then, keep on quilting!

Sue Bennorth

## PROGRAMS

Until we can meet in person again, we will continue to have meetings, guest speakers and workshops via Zoom.

January 14, 2021 - "Get to know your Community Service Projects." We will have presentations about the various organizations the Guild supports and how you can get involved.

At our last meeting, we invited members to share favorite Holiday projects. This was a lot of fun, so we want to do it again. Send pictures of your latest creations to Patti Voyles or Marcia Dains to share at our January meeting.

February 11, 2021 - Guest speaker – Tina Curran of Art Quilts by Tina Curran - *My Excellent Adventure as a Quilter* -- Trunk Show.

February 13, 2021 – Zoom workshop "At the Beach" - \$40.00. This quilt features an aerial view of a beach scene. Each umbrella is sewn and then appliquéd on top of a block of four beach towels (with sand in-between them). The blocks end up in the quilt at 6-1/2" x 6-1/2". This quilt finishes at 31" x 38-1/2". Of course, with additional blocks and/or increasing the size of the blocks, it could be as big as you like.

Not sure if you want to do a workshop via Zoom? It is lots of fun and you don't have to pack up your sewing machine and guess which tools you might need. Stay in your own space and the workshop comes to you. The November workshop by Elizabeth Eastmond was a huge hit with all who attended!

## **JANUARY MEETING - SHOW AND SHARE – SEND YOUR PHOTOS!**

I have had lots of compliments about the slide show at the December meeting and it was so fun to really see everyone's work. Wonderful talent! We'll have another Show and Share slide show at our January meeting, so please send me a picture of your item(s) numbered as you want them shown (if more than one).

Take a photo of the quilt either against a wall or on something where it is appropriate - bed, table, person... Make sure the light is towards the face of the quilt so your colors and patterns will show at their best. Supply your name, title of the quilt and a brief description – you will have a chance to tell us about them at the meeting. What to include? Things like pattern or inspiration, class or just playing around, fabric choices, who it's for, what made you decide to make it, did anyone else quilt or assist you, etc.

Send your photos even if you can't make the meeting, as the rest of us can still enjoy them. **Please send your information by January 10th** so I can have it put together for the meeting on the 14<sup>th</sup>.

*Patti Voyles*

## **FABRIC AND NOTIONS BLOWOUT SALE – JANUARY 16<sup>TH</sup>**

We are holding a fabric and notions sale on **Saturday, January 16th, from 10am - 3pm**

It will be held outdoors, in Joyce Wilkinson's driveway in Newhall.

Wear your mask and bring cash or credit cards (checks accepted from guild members only). Fabric will be priced at \$2 per yard or less! Tell your friends!

We will still hold the event even if it rains. If you can loan an EZ-UP for the event or would like to help out during the event, please contact Melissa Nilsen.

See you there!

*Melissa Nilsen & Dana Montague*

## LOST AND FOUND

**Are you missing a phone charging cord?** Someone charged their phone at my house and left their charging cord here. It fits my Samsung (not iPhone). It is a small black square that plugs into the wall with a detachable cord that can be used in a USB port. Please let me know if it is yours!

## COMMUNITY SERVICE

Happy New Year fellow quilters! Our guild is excited to serve so many fabulous organizations again this year. All of the following is accomplished by our wonderfully giving guild. We can't thank you enough for your valuable donations of your time and materials!

For many years, Guild members have crafted a wide variety of items for The Painted Turtle Camp. We will again be crafting twin bed quilts, take home snuggle quilts, pillow cases, turtle pillows, and aprons for the campers this year. Are you wondering what is The Painted Turtle Camp? While we can't take a physical tour this year because of the pandemic, you can take a tour online on their website: <https://www.thepaintedturtle.org/who-we-are>

We are planning on once again gifting the SCV Senior Center with lap quilts and shawls, and placemats for meal recipients and volunteers. Your BOTM blocks will be crafted to bless Veteran organizations. Once blocks are completed, they will be made into twin-size bed and lap quilts. The SCV Pregnancy Center has been enjoying a gift pack for new families consisting of a baby quilt, receiving blanket, burp cloth and a bib, and we are continuing to make those items this year.

We will have some projects available for pickup at the garage sale January 16th in Joyce Wilkinson's backyard and driveway. If you prefer, items will be also be available for pickup on both on Patti Voyle's and Carol Carter's front porches. Be sure and contact these ladies prior to pick up.

Thank you for all you do! Contacts below.

The Painted Turtle Camp: Dana Montague

SCV Pregnancy Center: Debbie Ackerman

SCV Senior Center: Carol Carter

Veterans Center: Patti Voyles

## COMMUNITY SERVICE – PREGNANCY CENTER

I hope everyone has had a wonderful holiday season. Now it's time to get to work, I have many baby quilts that need binding. If you are able to help, please text or call me. I can bring them to you, drop them off at Carol Carter's, or you can pick them up from my porch - just let me know. I also have kits for making receiving blankets, bibs, burp cloths, and quilt tops. Let me know what you can help with. My number is in the directory.

Thanks so much!

*Debbie Ackerman*

## COMMUNITY SERVICE – SENIOR CENTER

Our Senior Center goals for 2021 are:

- 430 placemats for the Senior Center (again): 13" x 18"
- 18 wheelchair lap quilts: 36" x 48", with rounded corners
- 18 shawls: 30" x 65"

If anyone needs kits, please let me know.

*Carol Carter*

## COMMUNITY SERVICE – VETERAN'S PROJECTS

Thank all of you so much for the generous donations of time and effort last year! We are in the process of putting together another delivery in the March/April timeframe. When I go is based on having enough to take. I will be showing some of the finished pieces at the meeting. Currently I have kits (with completed blocks) including sashing/borders or choices of colors for four-patches depending on the pattern which is also included. There are about 10 twin size (approx.) bed quilts to be quilted and check with me about spray basted ones. I have several and will spray them if you let me know. As has been the case, they can be picked up or dropped off on my porch. My house is tucked away and I have not had any problems. The items are in plastic tubs that swing apart on top. There is one tub that is for returns. The sign in/out book is on a table with hand sanitizer and pens. Please be sure to sign the book for what you are taking i.e., Patti Voyles 3 kits or Alice Morgan, 1 bed quilt - returned. Questions about anything you have chosen to help with? Give me a call on my cell or email me.

*Patti Voyles*

## BLOCK OF THE MONTH

Thanks to all of you who make our BOTM blocks and kits, supporting our community service needs. This year, we will be working to support the veterans with our blocks as their need is great. Our blocks will be turned into bed quilts (60"x80"), or lap quilts (40"x48" or 50"x60") or also into wheelchair quilts of various sizes. Your blocks do not have to be just red, white and blue. Other fabrics can be used, but the need is greater for blocks with a masculine feel.

The pattern for this month's block is included at the bottom of the newsletter. And, as usual, all of the BOTM patterns on our website: <https://scvquiltguild.org/block-of-the-month>. You are welcome to make any pattern at any time. Currently, you can drop off any blocks and pick up any fabric kits at the home of Carol Carter – just give her a call first. We are also available to pick up any blocks at your home if you just contact us.

Melissa Nilsen will be helping me this year, but she won't be able to take over this committee in 2022, so I am seeking another guild member who would like to be a leader of BOTM in 2022. We want to start working with someone in 2021 to then continue into 2022. This is a fun activity and I am sure there is someone who would like being a part of this committee. Please let us know!!

We really appreciate your support for our BOTM program and we wish you the happiest and healthiest possible New Year! Stay safe.

Call if you have any questions. Our phone numbers are in the directory

*Linda von Mohr & Melissa Nilsen*

## SCVQG 30<sup>TH</sup> ANNIVERSARY PINS

In honor of our 30th anniversary last year, our Guild had commemorative pins made, and they are beautiful. If you'd like to purchase one (or two or three), please call or email Gabrielle with your reservation. They are \$6 each, cash or check. Purchase 3 or more, and I'll deliver! (My numbers are in the directory.)

*Gabrielle Leko*

## TREASURER'S REPORT

As we start the new year, the executive board is looking towards 2022. As treasurer, my term is for two years. We will be looking for a new treasurer for 2022. When I suddenly took this job, my concern was the filing of the guild's taxes which turned out to be quite easy. We file e-post cards and the only information required is total receipts for the year.

We are looking for members that would like to shadow me to see if this is something you might be interested in. Board members have requested that I have a meeting (zoom) explaining the new reports that are required by various state agencies. If you are interested in attending, but not really sure about being a treasurer, let me know to include you in the meeting. The meeting will be late January or early February.

Here is the Treasurer's Report for November, 2020:

## JANUARY BLOCK OF THE MONTH - RAIL FENCE PINWHEEL BLOCK

Your block should be 12.5" UNFINISHED. Finished Size (once sewn into the quilt) is 12".

For each block, you will need:

Fabric/Color	Cut Size	Quantity
Blue-1*	2.5" x 6.5"	4
Blue-2	2.5" x 6.5"	4
Blue-3	2.5" x 6.5"	4
White or Off-white (solid or small print)	2.5" x 2.5"	8

\*Use at least 3 different blue fabrics, preferably lighter & darker values for a little contrast. Or, you can be totally scrappy and use 12 different blues. Just separate them into 3 piles of 4 strips each.

### SEW ALL SEAMS AT 1/4"

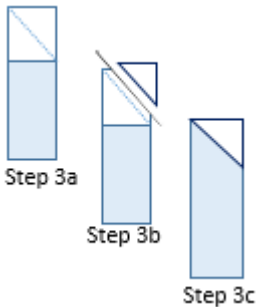

Step 1

#### Step 1:

Draw a line corner to corner on the back of all 8 of the White 2.5" squares.

#### Step 2:

Set aside the 4 Blue-2 strips. These will be the middle piece of each sub-block.

#### Step 3a:

On the remaining 8 strips (4 of Blue-1 and 4 of Blue-3): Place a white square, right sides together, at the top of a blue strip, with the **drawn diagonal line starting in the TOP LEFT corner**. *This is important! If you turn it so the drawn line is on the opposite diagonal, you won't get a pinwheel in the center of your finished block.* Sew on the drawn line.

#### Step 3b:

Cut 1/4" to the right of the stitched line.

#### Step 3c:

Fold back the white triangle and iron flat.

Step 4

#### Step 4:

Assemble 4 identical sub-blocks. Each will use one Blue-1, one Blue-2, and one Blue-3 strip. Lay a Blue-1 on your sewing machine right-side up, and with **the white triangle at the top**. Set a Blue-2 on top of it, right-sides together, and sew along the right edge. Open and iron towards Blue-2. Then set a Blue-3 right sides together with Blue-2, making sure **the white triangle is at the bottom**, and sew along the right edge. Open and iron towards Blue-2. The sub-block should be 6.5" square. Repeat with the remaining strips to make 4 identical sub-blocks.

Step 5

#### Step 5:

Sew the 4 sub-blocks together as shown. Rotate each sub-block so that the Blue-3 strips touch in the center to create a pinwheel. The completed block should be 12.5" square.

1 completed block:

If you sew the blocks together with no sashing, you get pinwheels at each joining of blocks. Here's a mockup of how it would look when lots of blocks are sewn together, assuming all blocks have a set of light, medium, and dark blue strips, and they're sewn in the same order.
