A MESSAGE FROM OUR CLUB PRESIDENT

I hope everyone is enjoying the last few days of our Tucson Spring weather. With the arrival of those few 90-degree days already, the 100's are just over the horizon.

I like to thank all club members who were able to come to our April 18th meeting, and celebrate a very successful Chevy Showdown car show. The Grandma Tony's Pizza and Eege's drink was a well-deserved "thank you" for everyone. If it wasn't for YOU, with all your hard work and enthusiasm, we would have never been able to achieve our best show ever. A show with the highest grossing raffle, the most registered vehicles and our biggest profit ever, just to name a few. Having all four charities at our meeting also made it very special when we presented each of them with our \$500 donations, in front of everyone to see.

The Desert Diamond Casino also went above and beyond to make sure that this year's show went smoothly. The much-needed radio advertising the days preceding our show, and including the live remote broadcast on the day of. The addition of the outdoor port-a potties was a very nice surprise and was very welcomed by many. The casino's outdoor dining area was another example of their willingness to offer hot freshly cooked food in the middle of all the surrounding excitement. The hospitality of the casino was also a big factor of this year's successful show. The addition of the "Hit and Miss" Engine & Tractor Club was a nice feature this year. The thousands of spectators were very impressed by all that was going on that day. We will make it a point to invite that special club to our future Showdowns.

I also would like to mention that we will be making some much needed changes to our next year's showdown. Many of these ideas were suggested by our own members, and should make the next Chevy Showdown go much more smoothly.

This last item that is a big concern is our club's website. (classicchevycluboftucson.com) Since before we lost Shutterfly as our host on March 26th, Melisa Hadinger has been setting up a new one with Go Daddy. It's a work in progress so please go on line and check it out. Make any suggestions to Melisa that you feel could improve it. You can email Melisa directly at 56chevylady@gmail.com

Please take care and drive safe, Frank

My personality is that one drawer in the kitchen that's just full of random stuff 😂

Not to brag or anything but I can forget what I'm doing while I'm doing it.

some people say they have a hamster on a wheel in their head, I have 4 squirrels fighting over an acorn.

I'm a very observant person. So if you think I didn't notice, I did... I just decided to keep quiet and avoid drama.

The following inspirational Memorial Day messages are great examples of wartime quotes and moments of reflection from veterans and observers.

- A hero is someone who has given his or her life to something bigger than oneself.
- A man's country is not a certain area of land, of mountains, rivers, and woods, but it is a principle and patriotism is loyalty to that principle.
- Aspire rather to be a hero than merely appear one.
- Bravery never goes out of fashion.
- Courage is contagious. When a brave man takes a stand, the spines of others are often stiffened.
- Courage is resistance to fear, mastery of fear, not absence of fear.
- For love of country, they accepted death...
- Four things support the world: the learning of the wise, the justice of the great, the prayers of the good, and the valor of the brave.
- Future years will never know the seething hell and the black infernal background, the countless minor scenes and interiors of the secession war; and it is best they should not. The real war will never get in the books.
- Heroes take journeys, confront dragons, and discover the treasure of their true selves.
- Heroism is not only in the man, but in the occasion.
- In the face of impossible odds, people who love this country can change it.
- The brave die never, though they sleep in dust. Their courage nerves a thousand living men.

Homemade Aphid Trap:
Place a YELLOW Solo cup upside down on a wooden stake. Attach with a pin or nail. Cover the outside of the cup with a thin layer of Vaseline. Aphids are drawn to the yellow, stick to the cup, and die. The trap is easy to make and will save your plants from aphid damage.

Fouledupfacts quotes:

In 2012, Turkish archaeologists uncovered a 2,400-year-old mosaic depicting a skeleton holding a cup and reclining next to a bottle of wine and a loaf of bread. It is inscribed with the words "Be cheerful, live your life."

When Arnold Schwarzenegger first came to the US in 1968, he started a bricklaying business with a fellow body builder. He used the profits to invest in real estate, which made him a millionaire before he became an actor.

OUR MISSION STATEMENT

To have a good time while loving, restoring and preserving the Classic Chevrolet and other GM vehicles through 1987

THE ACTIVE MEMBER

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock?

Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member:

You know right from wrong.

Are you an ACTIVE member or do YOU just belong?
