A MESSAGE FROM OUR CLUB PRESIDENT

Hi everyone, welcome to summer.

As of June 21st our days are now getting shorter. That’s the first sign that fall is just around the corner. Lol.

What is definitely around the corner is our club’s election. I sent out a notice of those members running for re-election and two new nominations, one for a vacancy on the board of directors and the other is for the upcoming vacancy for our newsletter editor. We also have an opportunity for anyone interested in being our club’s webmaster. Please don’t hesitate if interested to run for ANY OFFICE. All positions are always available for more than one candidate. A club ballot will be emailed out on July 7th for those members that will not be able to attend our July 18th meeting. Please email it back to me with your votes. All members attending the July meeting will vote in person.

I would like to thank all the participating members who were able to support our club’s heartwarming community event at the Watermark Assisted Living Facility at Continental Ranch. We had 10 of our classics make this Fathers Day weekend so special for many of their residents and staff. Giving back to the community is what we do best. Our second June Club event was another successful bowling “get together” at the Fiesta Lane’s on River Road. With the warmer temperatures it’s always nice to have an indoor event. We had 24 members and family enjoy this cool annual event to cheer on one another. Of course pizza is always a welcome sight after a few hours of trying to make a strike. I hope to see more members be able to make it next year!

Stay cool & Stay safe, Frank

JULY ANNIVERSARIES

--------------------	------

"Your mother has been with us for 20 years," said Mike.

"Isn't it time she got a place of her own?"

My mother?" replied Jennifer. "I thought she was your mother."

Why did I get divorced? Well, last week was my birthday. My wife didn't wish me a happy birthday. My parents forgot and so did my kids. I went to work and even my colleagues didn't wish me a happy birthday. As I entered my office, my secretary said, "Happy birthday, boss!" I felt so special. She asked me out for lunch. After lunch, she invited me to her apartment. We went there and she said, "Do you mind if I go into the bedroom for a minute?" "Okay," I said. She came out 5 minutes later with a birthday cake, my wife, my parents, my kids, my friends, & my colleagues all yelling, "SURPRISE!!!" while I was waiting on the sofa... naked

Married life: Telling your husband the same sentence 10 days in a row, just to have him say "You definitely never told me that."

It's a good thing our bodies age slowly. It's so much easier to be horrified just a little bit each day.

The official sports drink when I was a kid..

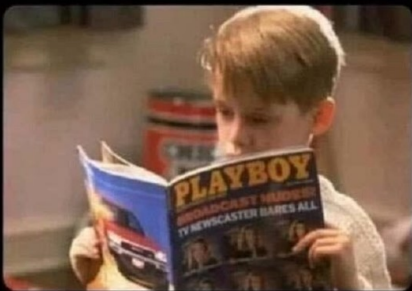

Ladies, if you come across a man who is smart, humble, well educated, financially secure, passionate, patient, mind blowing in bed, hot, great at fixing things around the house, can cook, loves you like he can never get enough of you, and listens to every word you say...

Then please be assured that the shx̄t you are smoking is of superior quality.

THEY SAY 40 IS THE NEW 30 AND 50 IS THE NEW 40, BUT ALL I KNOW IS THE OLDER I GET, THE MORE 9PM IS THE NEW MIDNIGHT.

June Club Event

On June 16th our club supported a very successful community event at the "Watermark at Continental Ranch" assisted living facility in Marana. It was a perfect Friday morning for celebrating Father's Day. The residents were so very grateful for all that we did. It was very nice to see so many of the residents and staff enjoying our classics. Donuts, coffee and other beverages was available for everyone. We had 10 CCCT classics supporting this event and even a guest GTO, showed up. Hopefully a future club member? A big THANK YOU goes out to all who were able to help out and make this heartwarming event happen.

Frank

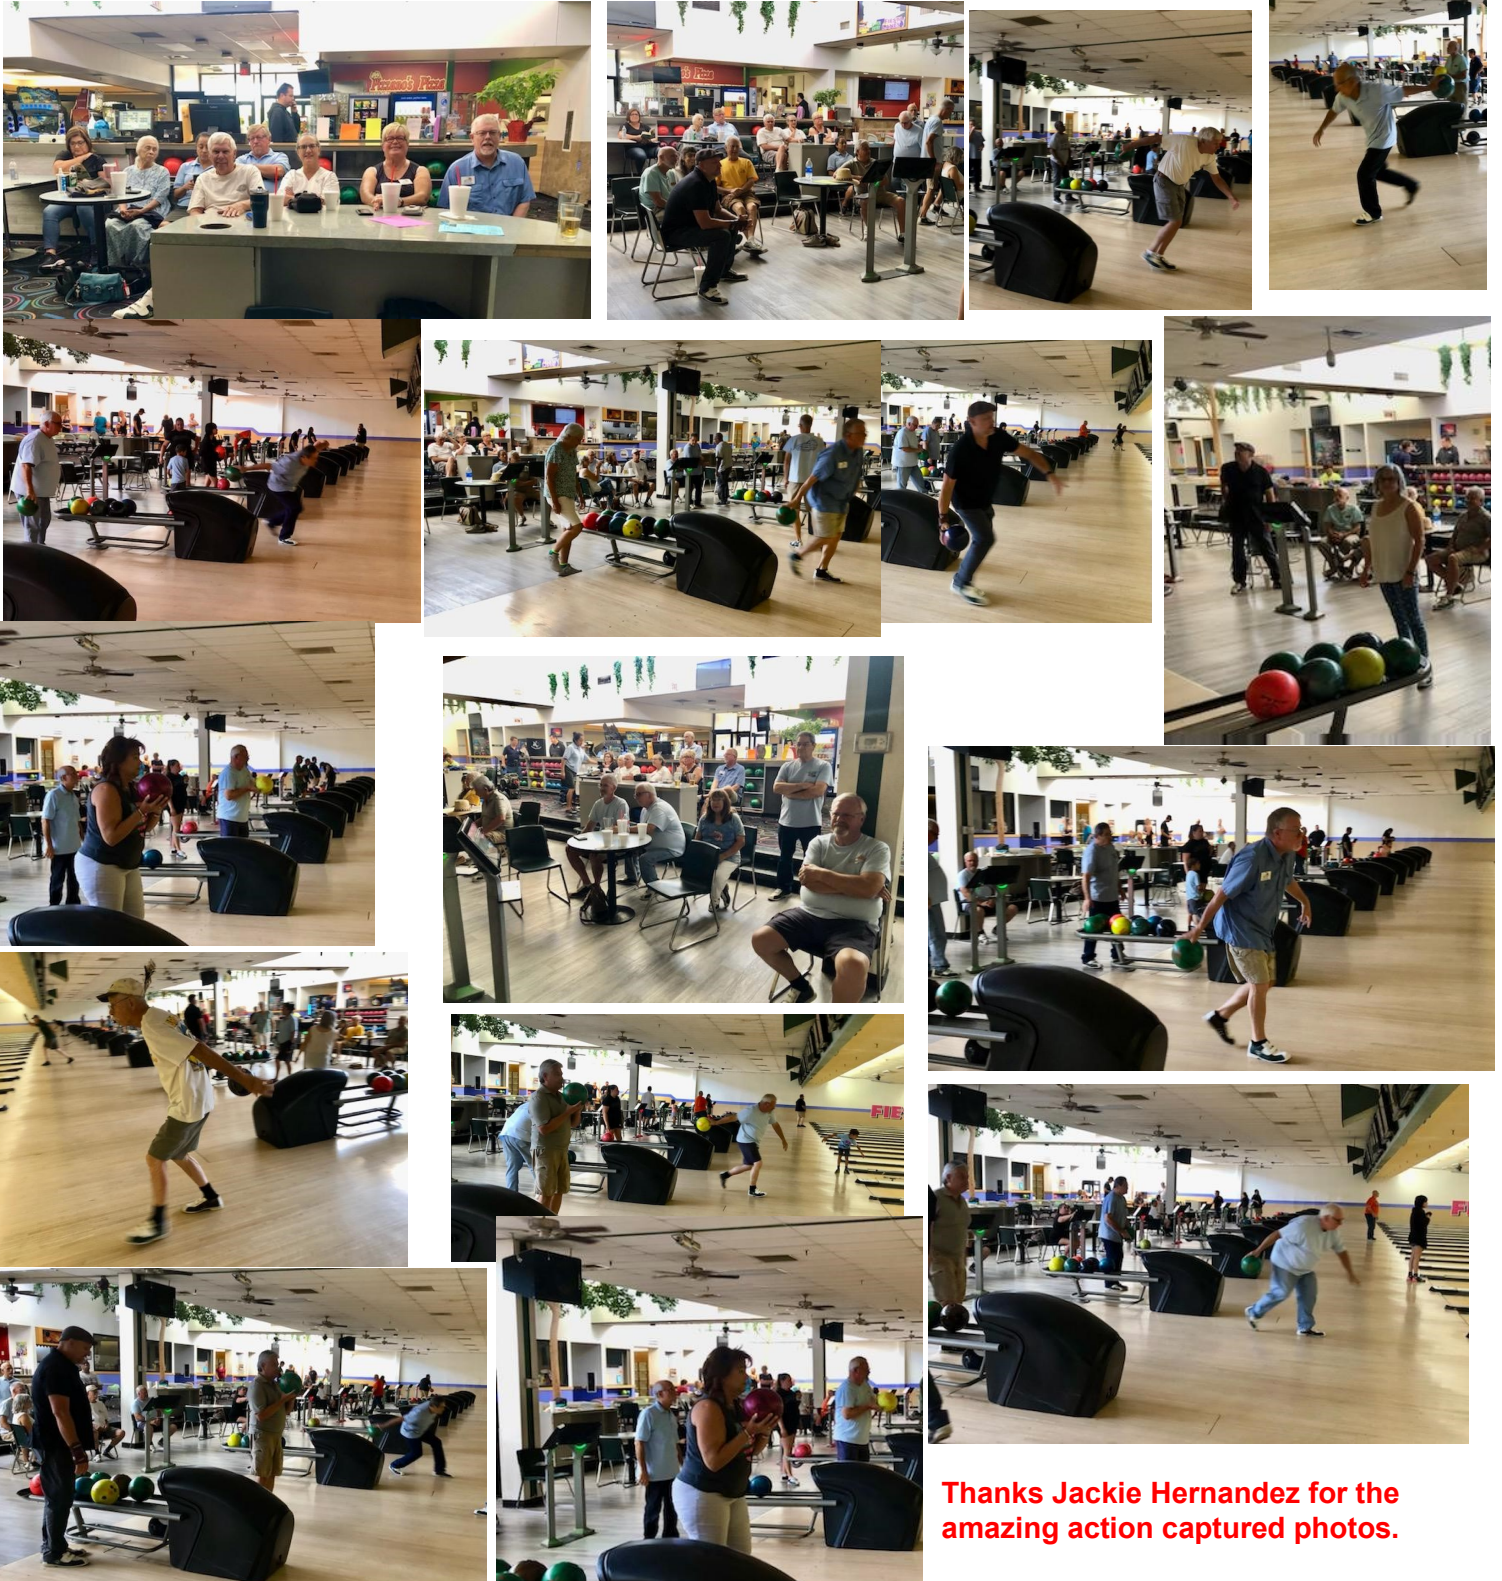

Thanks Debbie Dixon for the photos.

June Club Event

Everyone who was able to attend our clubs June bowling event had a cool time (72 degrees cool that is)! Fiesta Bowling Lane's had their A/C cranked low for the hottest bowlers they ever had. So I was told! LOL. 23 members and one guest enjoyed their Sunday socializing and bowling with their fellow Chevy family and friends. For some of us it is a once a year tradition. But for many others, it's obvious that they sneak out during the night and practice. I hope everyone who enjoyed our clubs indoor June event and pizza will not be too sore tomorrow. Let's get ready for next year...Take care, Frank

Thanks Jackie Hernandez for the amazing action captured photos.

A cowboy rode into town and stopped at a saloon for a drink. Unfortunately, the locals always had a habit of picking on strangers, which he was.

When he finished his drink, he found his horse had been stolen. He went back into the bar, handily flipped his gun into the air, caught it above his head without even looking and fired a shot into the ceiling.

"Which one of you sidewinders stole my horse?!" he yelled with surprising forcefulness.

No one answered.

"Alright, I'm gonna have another beer, and if my horse ain't back outside by the time I finish, I'm gonna do what I dun in Texas! And I don't like to have to do what I dun in Texas!"

Some of the locals shifted restlessly.

The man, true to his word, had another beer, walked outside, and his horse has been returned to the post. He saddled up and started to ride out of town.

The bartender wandered out of the bar and asked, "Say partner, before you go... what happened in Texas?" The cowboy turned back and said, "I had to walk home."

Hmmm, I found a strange piece of plastic on the floor that looks like it broke off of something, but I have no idea what. Better save it in the junk drawer until I die.

Oh look, they've started to make teenager mannequins.

Japanese scientists have created a camera with a shutter speed so fast, they can now photograph a woman with her mouth shut!

My wife and I went into town to shop. When we came out, there was a cop writing out a parking ticket. We went up to him and I said, "Come on man, how about giving a senior citizen a break?" He just ignored us and continued writing the ticket.

I called him an "butthead." He glared at me and started writing another ticket for having worn-out tires.

So my wife called him a "jerk." He finished the second ticket and put it on the windshield with the first. Then he started writing more tickets.

This went on for about 20 minutes. The more we offended him, the more tickets he wrote. He finally finished, sneered at us and walked away. Just then our bus arrived, and we got on it and went home.

We try to have a little fun each day now that we're retired. It's so important at our age!! 😂
