- Club is still in need of a website coordinator; Melisa has stepped down and as of now Frank has been updating our website. Melisa was also the event coordinator that sent out messages as to up coming events, this position is in need of a person.
- Go Daddy is up just type in classicchevycluboftucson.com to see site.
- Maybe next year we will keep our summer months of June, July, and August with 'no meetings' since it was received well this past summer and make sure to complete board elections at May's meeting to wrap up summer commitments.

New Business:

- Board meeting was held on 9-15-23 to discuss Showdown 2024, the following will be changed:
 - Pre-registration will be moved to a 'Welcoming Area' at the parking lot entrance. This will help avoid the registration sign in confusion, and Ann is first person that cars will check in with. This should help eliminate cars knowing where they are going and get to correct parking area or same day registration.
 - Show prices will go up from \$20.00 to \$25.00 for pre-registration, \$25.00 to \$35.00 day of registration, no shirts included.
 - 3 Categories will be removed from the classes, under construction, 53 to 72 Corvettes will be combined. A new category will be "All GM Street rods". This is being added to please the participants who are registering. The trucks will have their own lot so we don't have to worry about having them separated in years so have plenty of room for them.
 - We will hold the "Car Corral" one more year to see how much interest is for this area, otherwise we'll consider changing it for following shows.
 - We will be asking the 'Hit or Miss Engines' to come back again for show, and invite 'Women on the Fly' or 'Tear Drop' with trailers to come to our show.
- 2024 Showdown will be on 4-6-24 at Desert Diamond Casino.
 - It was proposed to possibly us old art work from previous shows to make it easier to get flyers and posters done early. This is still tabled for thought.
 - The club does have Host Hotel which is Best Western Green Valley and we will make the lettering bold to be noticed for those who look for this option.
 - We will also start mailing out reminder or save the date postcards for our show, we have 7 years of participants that Ann has on spreadsheet, but maybe go back 3 years. We'll be working on that and see when they will be sent.
- As the coming months we will start our plan for 2024 show in the upcoming meetings.

Minutes - September 19, 2023 - Classic Chevy Club Meeting - CONTINUED

- In Oct; we traditionally have the Mel's Drive-in, for our club event, but this year her yard is under construction and this event is canceled from now. Oct 28th our event will be at the Franklin Museum, \$5.00 per person.

A MESSAGE FROM OUR CLUB PRESIDENT

Hi Everyone,

I think it's safe to say that fall is in the air. With our beautiful cool mornings to wake up to, it's always a good sign. I just hope that the triple digits during the day are almost over with us being so close to October. One of the biggest signs of fall has always been the first big car show of the season.

The annual Run to the Pines Car Show in Pinetop, AZ. A few of our members took their classics on the 4-hour drive and enjoyed the experience of seeing over 500 beautiful classics, and the scenery to match. I hope that many of our members will attend a few car shows this season. When people see our cars so many great conversations are started. I don't know how many times I've heard stories of "my mom and dad had a Corvair just like yours". You can never forget their smile and enthusiasm just by turning on their memory switch. Please share what we take for granted! Enter what you love, in a car show this season.

With our own car show being just 6 months from now we are also getting ready, and made a few changes to our classes. We removed two classes with low participation, and combined the two Corvette classes. We also added a new "All GM Street Rod class". I had many calls last year asking why we didn't have a class for the rods. Now we do. We also combined the two pre-1955 Chevy classes to include all GM vehicles. I'm slowly trying to incorporate more non-Chevy GM vehicles, into our once only Chevy classes. Our 2024 Chevy Showdown flyer & registration form is now finished and is on our website for everyone to see. I hope it's to your satisfaction.

We have two club events scheduled for the coming two months. Our first is a date at the Franklin Auto Museum in Tucson. It's one of only two Franklin Museums in our country. It's a first class treat for all. Our club member, Anthony Warren, is the museum's curator. It's nice to know the right people. LOL! The date and time will be October 28th at 10am. Afterwards, if interested, we can all follow each other and have lunch at the Barrio Brewery and Restaurant. More information to follow shortly. The second club event is our annual Run to the Vines Cruise on November 18th. We will be meeting at the TTT Truck Stop at 11 am and then caravan in our classics to a vineyard for a little wine tasting. This year we have a new venue, and are cruising to the Dos Cabezas Vineyard on Hwy 82 in Sonoita. To make this event even more unique, the Dos Cabezas serves gourmet pizza. This cruise has always been a favorite event for our members, and I hope that many of you will enjoy this beautiful cruise. You do not only have to sample the wine. There is a big selection of non-alcoholic beverages available. An email with all the information will be sent out soon.

Just a reminder on our two big club events happening in early December. This will be our 28th year that the CCCT will be hosting Little Anthony's Annual Toy Drive on December 2nd. The following day, December 3rd, will be our annual Holiday Party and Gift Exchange at the Pinnacle Peak Saloon & Steak House. The gift exchange has always been a fun time for all. Info to follow on both...

Everyone have a wonderful and safe month ahead,

Best wishes, *Frank*

I told my wife she should embrace her mistakes... so she hugged me.

Photos submitted by Debbie Dixon from the 39th Annual Run to the Pines in Pinetop Sept 22-24th. The show brought in 575 participants, the Tri-Fives alone were 35, largest count ever. The count included club members the Smiths, Dixons and Thatchers. Thanks Debbie for the photos

Our CCCT did very well at the Nam Jam Car and Truck Show on Sept 23rd 50% of members that showed up won their class. Now the whole truth is we only had 2 members at the show the Dettmanns and Bill Myers attended the 'fundraiser'. There were about 51 participants, and the show was sponsored by the Obsession Car Club. The 35th Annual Nam to Sand Jam Car Show is Oct 28th at the Rillito Park Race Track, Tucson.

My best friend passed away recently.

Grieving before his grave I said "Bro, I really missed you. My wife has been pregnant for 8 months now. How bout you reincarnate as my child?"

One month later, my wife gave birth to a big boy. As my child grew older each day, I realized the he looks a lot like my best friend.

I'm really happy that my prayer worked...

I am at the age where not finding parking for an event is enough to make me go home.

WHY I HATED MATH:

In class:

$$5 + 5 = 10$$

Homework:

$$734 + 555 - 432 / 69 = 12.42$$

Test:

With 2 sheep flying, one yellow and the other headed right, how much does a pound of asphalt cost, given that the cow is 10 years old?

At my funeral, take the bouquet off my coffin and throw it into the crowd to see who is next.

Party Goer

A man goes to a party and has too much to drink. His friends plead with him to let them take him home. He says no - he only lives a mile away.

About five blocks from the party the police pull him over for weaving all over the road, ask him to get out of the car and take the breathalyzer test. Just as he is about to blow into the bag, the police radio informs the policemen of a robbery taking place in a house a short distance away.

The police tell the partygoer to remain where he is, they will be right back; and they run down the street to the robbery.

The guy waits and waits and finally decides to drive home. When he gets there, he tells his wife he is going to bed, and to tell anyone who might come looking for him that he has 'flu and has been in bed all day.

A few hours later the police knock on the door. They ask if Mr. X lives there and his wife says yes. They ask to see him and she replies that he is in bed with 'flu and has been there all day.

However, the police have his driver's license. They ask to see his car, and she asks why. They insist on seeing his car, so she takes them to the garage and opens the door where they find the police car, lights still flashing.

THE ACTIVE MEMBER

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock? Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member:
