## The Port Washington Calendar of Events Was Introduced at HarborFest 16 Years Ago.

The Calendar is a great example of the special synergy between the Port business community and our plethora of not-for-profit organizations.

It is designed to provide local not-for-profit type organizations with an avenue for promoting their events and meetings in advance. This provides Port residents and visitors with the opportunity to attend, be involved and informed. The Calendar carries local merchant and organization advertising reaching those same residents and visitors with shopping and services information.

While our advertisers invest with us to gain additional recognition, customers and business, their advertising also helps us broadcast and support the upcoming events sponsored by the not-for-profit community. Nice!

A special message to our Not-for-Profit friends. The continued success of the Port Washington Calendar depends on you. We need

Dave Allen,  
Publisher

you to be certain we receive notice of your events in order to provide the information to our audience. Don't forget to include information on your meetings, speakers, participations and overall efforts... publicizing them helps gain appreciation by the community and just might help in your membership efforts. Finally, do not forget us when you look to advertise your events.

The Calendar is distributed monthly through our network of local, high traffic businesses and organizations and is available via email by subscribing to Dave@PWCcalendar.com, or dallen@mainlymarketing.com. Type "FREE SUB" in the subject line.

Cheers!
