

West River Rodeo Bible Camp was established in 2014 with a heart felt non denominational mission of introducing and building relationships with Jesus Christ and strengthening faith. Introducing and building rodeo/horsemanship skills and providing young people with a chance to put their learned skills into practice with a WRRBC rodeo competition the last day of camp! We offer instruction on Horsemanship, Bareback riding, Barrel Racing, Saddle Bronc, Bull riding, Steer Wrestling, Pole Bending, Roping. We have excellent highly qualified instructors that come to instruct campers. Besides instruction time and chapel time we do many fun events, craft projects, enjoy great speakers and demonstrations, trail rides, campfires and have a lot of fun!
