Items Discussed

- Fundraisers
 - McDonald Drink cards – We discussed selling drink cards. We would sell drink cards for \$20.00 and the students would make approximately \$6.00 per card and the proceeds would go towards the New York trip if they are going, if not, the proceeds will go towards the general fund. The choir would have to prepay for the cards. This would begin not long after school starts. We agreed to order 1000 drink cards – A motion to approve was made by Lelsey Ulrich and seconded by Jessica Anderson. Motion carried. Shelley was to send an e-mail requesting drink cards.
 - Christina presented information with regards to Fan Club shirt fundraiser. We need to decide on the logo we want to use. The seniors were to meet and discuss a new logo for choir and a present it at choir camp for others to vote. Fan Club suggest doing this fundraiser September or October. This will give people time to donate before the holidays and have our shirts to us before our season starts in January. After the 3rd name its profit. Parents send in their order DIRECTLY to the company through our team's page and we collect the money. Fan Club will send a detailed breakdown of each athletes order and money raised, then invoice for the cost of athletes & extra shirts. We decided to postpone Date to Donate and move up the Fan Club shirts. A motion to approve was made by Lelsey Ulrich and seconded by Shelley Walker. Motion carried.

Meeting adjourned at 5:50 p.m.
