Senior Spotlight

Henry Ulrich

Adam and Lesley Ulrich are the parents of Henry Ulrich. Henry is a senior at Columbus East H.S. and participates in Center Stage. He will be graduating in 2024. Henry's plans are to attend Purdue University and study Materials Engineering and Theatre. One of Henry's favorite parts about show choir is making people smile and entertaining them. A few of his favorite musicians are Boywithuke, M83, and Fall Out Boy. Henry is involved in theatre, key club, NHS, student government, Tennis and a part of the academic team. In Henry's free time he enjoys playing video games and watching movies with his friends. We hope Henry has an awesome senior year! Thank you for all you do in show choir.

COLUMBUS EAST CHOIR SPONSORSHIP

A LETTER FROM THE DIRECTOR

Dear Valued Community Member,

My name is Kimberly Cooper and I am the Director of the Columbus East Choral Department. I am writing to ask you to consider donating to our program for the 2023-2024 school year. The choral department consists of students from all backgrounds, walks of life, and levels of ability. In our choir program, I teach students musical and life skills using concepts through the lens of choral performance. I believe that our choral program can teach students everything they need to know to be prepared for life beyond high school. Participating in music is proven to boost students' perception of themselves as well as promote achieving goals, teamwork, leadership, academic achievement, feelings of success, and cultural exposure.

The standard of performance at East is EXCELLENCE, and we would like for you to partner with us! When you donate to the Columbus East Choral Department, you allow us to purchase the visual and performance equipment, musical arrangements (licensing), costumes, props, and other necessities in order to create a professional and first-class product. This standard of excellence can be expensive, but the authentic experience it provides for students is unparalleled.

In the East choral program, it should be impossible to distinguish socioeconomic background; the goal is for every student in the choir to look the same. It is my desire as the director that any student who wants to participate in all we offer be able to. When you give, you eliminate the financial burden that some students might face, allowing these students to enjoy all opportunities without worry. Professionalism is the expectation, and your financial contribution helps to make that expectation a reality.

It is my sincere hope that you invest in the success of our growing choral program financially and that you come to enjoy our concerts personally. If you have any questions or wish to connect with me about the choirs, please reach out at cooperk@bcsc.k12.in.us.

Sincerely,

Kimberly Cooper

Columbus East High School Choral Director
