scheme, we have committed to strongly advise our clients that where advance payments are made for materials to the value of £500 or more (for a total contract not exceeding £30,000) that these payments are made by credit card. Paying by credit card in this way means that your money should be protected under Section 75 of the Consumer Credit Act. Clients are respectfully advised that this is the safest way to protect advance payments. This is not because we foresee or anticipate a problem but rather because any number of completely unforeseen events can happen in anyone's life at any time. We endeavour then to protect our clients from such unforeseen events outside of our control.

29. As part of the Which? Trusted Trader scheme in the interest of complete transparency we have undertaken and committed to advise clients that if they choose not to pay by credit card for material money paid in advance then this advance payment for materials will not benefit from this Consumer protection.

'vulnerable clients' policy who will be given a longer period relevant to their needs by prior agreement.

32. An invoice in respect of labour charges will be emailed to the client ahead of completion of works.
33. Our terms require that you agree to pay us interest at a rate of 5% above the Bank of England base rate on any payments not settled in accordance with these Terms and the terms of the applicable quotation.
