No license shall be transferred except with the consent of the council or other governing body of the municipality or of the director of finance or other chief revenue officer or his or her designee, and no license shall be transferred to reflect a physical change of address of the taxpayer within the municipality more than once during a license year and never from one taxpayer to another. Provided that a mere change in the name or ownership of a taxpayer that is a corporation, partnership, limited liability company or other form of legal entity now or hereafter recognized by the laws of Alabama shall not constitute a transfer for purposes of this chapter, unless (1) the change requires the taxpayer to obtain a new federal employer identification number or Department of Revenue taxpayer identification number or (2), in the discretion of the municipality, the subject license is one for the sale of alcoholic beverages. Nothing in this section shall prohibit a municipality from requiring a new business license application and approval for an alcoholic beverage license.

**SECTION 6. Unlawful to do business without a license.**

It shall be unlawful for any person, taxpayer, or agent of a person or taxpayer to engage in businesses or vocations in the municipality for which a license is required without first having procured a license. In either case, at the option of the taxing jurisdiction a copy of the final assessment may be delivered to the taxpayer by personal delivery.

**SECTION 9. Duty to permit inspection and produce records .**

Upon demand by the designee of the municipality, it shall be the duty of all licensees to:

(b) To furnish information during reasonable business hours, at the licensee's place of business, in the municipality or the police jurisdiction, all books of account, invoices, papers, reports and memoranda containing entries showing amount of purchases, sales receipts, inventory and other information from which the correct license tax classification of such person may be ascertained and the correct amount of license tax to which he is subject may be determined, including exhibition of bank deposit books, bank statements, copies of sales tax returns to the State of Alabama, copies of Alabama income tax returns and federal income tax returns.

**SECTION 10. Unlawful to obstruct.**

It shall be unlawful for any person, or for any agent, servant or employee of such person, to fail or refuse to perform any duty imposed by this ordinance; nor shall any person, agent, servant or employee of such person obstruct or interfere with the designee of the municipality in carrying out the purposes of this ordinance.

**SECTION 11. Privacy.**

(a) It shall be unlawful for any person connected with the administration of this ordinance to divulge any information obtained by him/her in the course of inspection and examination of the books, papers, reports and memoranda of the taxpayer made pursuant to the provisions of this ordinance, except to the mayor, the municipal attorney or others authorized by law to receive such information described herein.

(b) It shall be unlawful for any person to print, publish, or divulge, without the written permission or approval of the taxpayer, the license form of any taxpayer or any part of the license form, or any information secured in arriving at the amount of tax or value reported, for any purpose other than the proper administration of any matter administered by the taxing jurisdiction, or upon order of any court, or as otherwise allowed in this ordinance.

(c) Nothing herein shall prohibit the disclosure of the fact that a taxpayer has or has not purchased a business license. Statistical information pertaining to taxes may be disclosed to the municipality council upon their written request through the Mayor's office. It shall be unlawful for any person to violate the provisions of this section.

#### **SECTION 12. Failure to file assessment.**

(a) In any case where a person subject to paying a license tax as provided herein fails to do so, the municipal designee shall be authorized to assess and determine the amount of license taxes due using the best information available either by return filed or by other means.

(b) The taxpayer shall be notified by registered or certified mail, or by personal service, of the amount of any such assessment, and of his right to appear before the municipal governing body on a day named not less than twenty (20) days from the date of notice and to show cause why such assessment shall not be made final. Such appearance may be made by agent or attorney.

(c) If no showing is made on or before the date fixed in such notice, or if such showing is not sufficient in the judgment of the municipality, such assessment shall be made final in the amount originally fixed, or in such other amount as is determined by the municipality to be correct. If upon such hearing the municipal designee finds a different amount due than that originally assessed, he/she shall make the assessment final in the correct amount, and in all cases shall notify the taxpayer of the assessment as finally fixed.

(d) A notice by the United States mail, addressed to the taxpayer's last known place of business, shall be sufficient. Any assessment made by the designee of the municipality shall be prima facie correct upon any appeal.

On all property, both real and personal, used in the business, the municipality shall have a lien for such license, which lien shall attach as of the date when the license is due, as allowed by *Alabama Code*, Section 11-51-44 (1975).

**SECTION 14. Criminal penalties.**

Any person found guilty of violating any of the provisions of this ordinance shall be fined in an amount not less than fifty dollars (\$50.00) and not more than five hundred dollars (\$500.00), and may also be sentenced to imprisonment for a period of not exceeding six (6) months, in the discretion of the court trying the case, and violations on separate days shall each constitute a separate offense.

**SECTION 15. Civil penalties.**

In addition to the remedies provided by *Alabama Code*, Section 11-51-150 (1975) et seq., the continued or recurrent performance of any act or acts within the corporate limits or within its police jurisdiction for which a license may be revoked or suspended under this ordinance is hereby declared to be detrimental to the health, safety, comfort and convenience of the public and is a nuisance. The municipality, as an additional or alternative remedy, may institute injunctive proceedings in a court of competent jurisdiction to abate the same.

**SECTION 16. Penalties and interest.**

(a) All licenses not paid within thirty (30) days from the date they fall due shall be increased by fifteen (15) percent for the first thirty (30) days they shall be delinquent, or fraction thereof, and shall be measured by an additional fifteen (15) percent for a delinquency of sixty (60) or more days, but this provision shall not be deemed to authorize the delay of thirty (30) days in the payment of the license due, which may be enforced at once.

(b) In the case of persons who began business on or after the first day of the calendar year, the license for such "new business" shall be increased by fifteen (15) percent for the first fifteen (15) days they shall be delinquent, and shall be measured by an additional fifteen (15) percent for a delinquency of forty- five (45) days or more.

(c) All delinquent accounts (both license taxes and penalties) shall also be charged simple interest at the rate of one (1) percent per month.

**SECTION 17. Prosecutions unaffected.**

The adoption of this ordinance shall not in any manner affect any prosecution of any act illegally done contrary to the provisions of any ordinance now or heretofore in existence, and every such prosecution, whether begun before or after the enactment of this article shall be governed by the law under which the offense was committed; nor shall a prosecution, or the right to prosecute, for the recovery of any penalty or the enforcement of any forfeiture be in any manner affected by the adoption of this ordinance; nor shall any civil action or cause of action existing prior to or at the time of the adoption of this ordinance be affected in any manner by its adoption.

**SECTION 18. Procedure for denial of new applications.**

(a) The municipal designee shall have the authority to investigate all applications and may refer any application to the municipal governing body for a determination of whether such license should or should not be issued.

(b) If the municipal governing body denies the issuance of any license referred to it, the municipal clerk shall promptly notify the applicant of the municipal governing body's decision.

(c) If said applicant desires to appear before the municipal governing body to show cause why said license should be issued, he shall file a written notice with the municipal clerk, said notice to be filed within two (2) weeks from the date of mailing by the municipal clerk of the notice of the denial of such license by the municipal governing body.

(d) Upon receipt of said notice the municipal clerk shall promptly schedule a hearing, to be held within fifteen (15) days from the date of receipt of such notice, before the municipal governing body and shall give the notice of the date, time and place of said hearing to the applicant.

(e) The applicant shall be given the opportunity to appear personally, or through his counsel, or both, and the municipal governing body shall proceed to hear any evidence which may be presented both for and against the issuance of said license.

(f) If the municipal governing body determines from the evidence presented that in order to either provide for the safety, preserve the health, promote the prosperity, or improve the morals, order, comfort and convenience of the inhabitants of the municipality said license should not be granted, it shall enter an order to that effect; otherwise, said license shall be ordered issued upon payment of any required license fees.

**SECTION 19. Procedure for revocation or suspension of license.**

(a) Any lawful license issued to any person to conduct any business shall be subject to revocation by the municipal governing body for the violation by the licensee, his agent, servant, or employee of any provision of this ordinance or of any ordinance of the municipality, or any statute of the State of Alabama relating to the business for which such license is issued; and shall also be subject to revocation by the municipal governing body if the licensee, his agent, servant, or employee under color of such license violates or aids or abets in violating or knowingly permits or suffers to be violated any penal ordinance of

(b) the municipality or any criminal law of the State of Alabama; and shall also be subject to revocation by the municipal governing body if, in connection with the issuance or renewal of any license, the licensee or his agent filed or caused to be filed any application, affidavit, statement, certificate, book, or any other data containing any false, deceptive or other misleading information or omission of material fact.

(c) The conditions hereinabove set forth as grounds for the revocation of a license shall also constitute grounds for refusing to renew a license.

(d) The municipal governing body shall set a time for hearing on the matter of revoking or refusing to renew a license; and a notice of such hearing shall be given to the licensee, or the applicant for renewal, as the case may be, at least ten (10) days before the day set for said hearing. At the hearing the municipal governing body shall hear all evidence offered by any party and all evidence that may be presented bearing upon the question of revocation or the refusal of renewal, as the case may be.

**SECTION 20. Refunds On Overpayments.**

(a) Any taxpayer may file a petition for refund with the municipality for any overpayment of business license tax erroneously paid to the municipality. If a final assessment for the tax has been entered by the municipality, a petition for refund of all or a portion of the tax may be filed only if the final assessment has been paid in full prior to or simultaneously with the filing of the petition for refund.

(b) A petition for refund shall be filed with the municipality within two years from the date of payment of the business license tax, which is the subject of the petition.

(c) The municipality shall either grant or deny a petition for refund within six months from the date the petition is filed, unless the period is extended by written agreement of the taxpayer and the municipality. The taxpayer shall be notified of the municipality's decision concerning the petition for refund by first class U.S. mail or by certified U.S. mail, return receipt requested, sent to the taxpayer's last known address. If the municipality fails to grant a full refund within the time provided herein, the refund petition shall be deemed to be denied.

(d) If the petition is granted or the municipality or a court otherwise determines that a refund is due, the overpayment shall be promptly refunded to the taxpayer by the municipality, together with interest to the extent provided for in Section 11-51-92. If the municipality determines that a refund is due, the amount of overpayment plus any interest due thereon may first be credited by the municipality against any outstanding tax liabilities due and owing by the taxpayer to the municipality, and the balance of any overpayment shall be promptly refunded to the taxpayer. If any refund or part thereof is credited to any other tax by the municipality, the taxpayer shall be provided with a written detailed statement showing the amount of overpayment, the amount credited for payment to other taxes, and the resulting amount of the refund.

(e) A taxpayer may appeal from the denial in whole or in part of a petition for refund by filing a notice of appeal with the clerk of the circuit court of the county in which the municipality denying the petition for refund is located. Said notice of appeal must be filed within two years from the date the petition was denied. The circuit court shall hear the appeal according to its own rules and procedures and shall determine the correct amount of refund due, if any. If an appeal is not filed with the appropriate circuit court within two years of the date the petition was denied, then the appeal shall be dismissed for lack of jurisdiction.

**SECTION 21. Delivery License.**

(a) In lieu of any other type of license, a taxpayer may at its option purchase for \$ 100.00 plus the issuance fee, a delivery license for the privilege of delivering its merchandise in the municipality if the taxpayer meets all of the following criteria:

(1) Other than deliveries, the taxpayer has no other physical presence within the municipality or its police jurisdiction;

(2) The taxpayer conducts no other business in the municipality other than delivering merchandise and performing the requisite set- up and installation of said merchandise;

(3) Such delivery and set- up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in that municipality, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;

(4) The gross receipts derived from the sale and any requisite set- up or installation of all merchandise so delivered shall not exceed seventy-five thousand dollars (\$75,000) during the license year;

(5) Any set- up or installation shall relate only to (i) that required by the contract between the taxpayer and the customer or as may be required by state or local law, and (ii) the merchandise so delivered;

(6) If at any time during the current license year the taxpayer fails to meet any of the above stated criteria, then within 10 days after any of said criteria have been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the municipality for the entire license year and without regard to this section.

(b) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the municipality to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand (\$75,000) limitation described in the preceding section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

(c) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.

(d) The delivery license shall be calculated in arrears, based on the related gross receipts during the preceding license year.

(e) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the municipality for purposes of the taxes levied by or under the authority of Title 40 of the Code of Alabama or other provisions of law, nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the municipality.

(1) Other than deliveries, the taxpayer has no other physical presence within the municipality or its police jurisdiction;

(2) The taxpayer conducts no other business in the municipality other than delivering merchandise and performing the requisite set- up and installation of said merchandise;

(3) Such delivery and set- up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in that municipality, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;

(4) The gross receipts derived from the sale and any requisite set- up or installation of all merchandise so delivered shall not exceed seventy-five thousand dollars (\$75,000) during the license year;

(5) Any set- up or installation shall relate only to (i) that required by the contract between the taxpayer and the customer or as may be required by state or local law, and the merchandise so delivered;

(b) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the municipality to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand (\$75,000) limitation described in the preceding section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.
