

# Journey Map

## Partnerships

- Meet with potential districts and schools to provide Well Suited presentation
- Partner with districts and schools to provide our college and career planning program(s)
- Provide and complete necessary documents for partnership
- Connect with individuals from districts/schools that Well Suited will work with

## Referrals

- Communicate with counselors, teachers, and/or individual in charge of college counseling.
- School will provide Well Suited student referrals with parent contact information
- Well Suited will contact parents and provide consent form
- Once form is completed, student can begin with program

## Program(s)

- Student(s) will gain access to program(s) via Canvas Network
- Student(s) will meet in groups and/or one-on-one with their mentor.
- Student(s) will meet virtually via zoom on days/times that work best for them
- Student(s) will complete modules and assignments
- Well Suited will communicate with parent(s) and student(s)

## Program Completion

- Student(s) will complete a feedback form
- Once program(s) is complete; student(s) will receive a certificate
- If student(s) is taking program for elective credit; Well Suited will provide grade to school
- Students will be automatically enrolled in the Well Suited Clubhouse

## Clubhouse

- Student(s) will be transitioned to Well Suited's network. Schools will not be responsible once student(s) have completed program(s)
- Students will be welcomed to attend additional workshops and request assistance in the future from Well Suited
