Annual Catholic Appeal - Announcement Weekend

This weekend, we begin the Annual Catholic Appeal (ACA) drive. Today, this newsletter contains information about the good work that is accomplished through the funds raised through the ACA.

Each year I make my own pledge to the ACA because I believe in the good work, the ministry the ACA makes possible throughout the Archdiocese and beyond. I encourage every parish family to consider contributing to the ACA.

Next weekend is Commitment Weekend and there will be a recorded homily from Cardinal Cupich. Because of the pandemic, printed materials for the ACA will not be in the pews this year but are available in the back of church.

In place of the cards in the pews, everyone is encouraged to make their pledge to the ACA electronically. Next weekend, our Pastoral Associate, Kevin Cheers, will lead us through that process. So please bring your cell phones to church next weekend!

Second Financial Report - Finances in the Pandemic Time

Last week in the newsletter, we published the Annual Financial Report for the fiscal year that ended on June 30, 2020. As I mentioned last week, I also wanted to share with you a shorter report on the actual figures since the pandemic shut us down on March 13, 2020 through the end of the calendar year, December 31, 2020, and those figures in comparison to the same timeframe in the year before.

Both income and expenses have dropped, and we still expect we will be in a deficit status by the end of the fiscal year on June 30, 2021.

Annual Catholic Appeal

Come, follow me ... and bring hope to the world

Many families in our parish will be receiving the Annual Catholic Appeal mailing from Cardinal Cupich. On behalf of those served by the ministries, parishes, and schools who receive funding from the Appeal, we thank you for your gifts. Please return your response as soon as possible.

The Annual Catholic Appeal offers a wonderful opportunity to answer Jesus' call to "Come, follow me ... and bring hope to the world." This is especially important during these trying and challenging times. Many in our parishes are affected financially by the pandemic, and we encourage giving at all levels to support this initiative.

In addition to providing for ministries and services throughout the archdiocese, the Annual Catholic Appeal funds services in our own parish. For example, Appeal funds support Training for Ministers of Care who visit our sick and shut-in parishioners.

When we financially support the work of our parish, our archdiocese, and the Catholic Church throughout the world, we experience a feeling of deep gratitude, especially when we contemplate God's many gifts to us personally. By sharing our wealth through gifts to the 2021 Annual Appeal, we demonstrate our commitment to the Church and each other.

Growing in Faith

Who are our Messengers?

This week, on February 2nd, we celebrate Groundhog Day: a crazy, commercially manufactured event about a groundhog, who either sees his shadow –or doesn’t-- somewhere in Pennsylvania. Probably it is just the manifestation of an effort to amuse people as they attempt to get through the winter months.

The Movie, Groundhog Day, is something more meaningful and serious, while at the same time totally entertaining and hilarious. If you haven’t seen it, I heartily recommend it. You can find it easily on Amazon Prime or other streaming services. Many people have proclaimed this movie to be one of the most spiritually significant movies of a generation. Despite the fact that it was made 28 years ago, I couldn’t agree more and it holds up over time.

Many of us in this pandemic, for sure, are feeling like the Bill Murray character in this movie: daily life can seem routine, mundane, overwhelming, claustrophobic, predictable, and boring. The message of the movie is about looking for signs, embracing your life, improving yourself, and doing this all through love.

In today’s readings, we get a clue as to how we might get through these difficult days of the latest pandemic spike. We need to pay attention and

'harden not our hearts' as we face this long haul ahead of getting the vaccine and returning to 'normal life'. We need to look for our messengers of God today, who can inspire us; those who can lead us forward toward a more loving life.

Let's keep a watch out, for messengers and messages, to guide us through this time. They are here with us.

Financial Reports Part II

Last week, we published the Annual Financial Report for the Fiscal Year that ended on June 30, 2020. As I mentioned in the article that accompanied that report, this week we are publishing a report which compares the financial picture during the pandemic (from March 13, 2020

through December 31, 2020) with the same period from the year earlier.

There are three line items I would like to direct your attention to in this comparison report. The first is **Income**. Our Sunday/Holy Day income from March 13 through December 31, 2019 was \$476,982.23. In 2020, during the pandemic, our income was \$413,512.40. The difference was \$63,469.83, or a decrease of 13.31%.

The second is our **Expenses**. From March 13 through December 31, 2019, our expenses were \$788,273.47. In 2020, during the pandemic, our expenses were \$691,391.20. The difference was \$96,882.27, a decrease of 12.29%.

The third item in this comparison is the accounting of the **PPP funds** we received from the government for some of our payroll expenses. We received a total of \$111,600.00. This unexpected source of revenue greatly lessened our losses in this time period, although we won't know the full picture until we reach both the end of the fiscal year and the end of the pandemic. As the numbers indicate right now, we expect to have another deficit by the time we get to the end of this fiscal year on June 30, 2021.

Please feel free to contact me or our Business Manager, [Art Blumberg](#), if you have any questions.

Thank you for all you do to continue to make St. Gertrude Parish healthy, vital, and viable!

~ Fr. Rich Prendergast

This Weekend - Blessing of Throats/This Tuesday is Candlemas Day

This weekend, we will celebrate the feast of St. Blaise with a blessing of throats. The blessing will be a general one to the congregation, due to COVID regulations.

This Tuesday, February 2 is the Feast of the Presentation of the Lord, commemorating the day Mary and Joseph brought Jesus to the temple to be presented to God. Simeon greeted them in the temple, pronouncing Jesus a “light to the nations.” This day is also known as “Candlemas Day.”

Candlemas literally translates as “the sending of the candle (light)” into the

world. At our 7:30 am Mass on Tuesday morning, we will bless the candles we will use in church throughout the year.
