Sixth Sunday in Ordinary Time • February 17, 2019

Blessed is the one who trusts in the LORD,
whose hope is the LORD.
He is like a tree planted beside the waters
that stretches out its roots to the stream:
it fears not the heat when it comes;
its leaves stay green;
in the year of drought it shows no distress,
but still bears fruit.
~ *Jeremiah 17:7-8*

Annual Catholic Appeal

ARCHDIOCESE OF CHICAGO

COME, FOLLOW ME...
and share the Word

2019 Annual Catholic Appeal

The Annual Catholic Appeal is an annual fundraising campaign that supports the parishes, schools, ministries, programs and agencies that serve the educational, physical and spiritual needs of the people of the Archdiocese of Chicago. Through Catholic Relief Services, the Appeal also serves people around the world, regardless of religious affiliation, whose lives are devastated by natural disasters, illnesses, wars and famine.

Faith is alive in parishes and schools, soup kitchens and counseling centers, on street corners and in churches. It's lived through people of all backgrounds, from every neighborhood. People everywhere come together to support one another. It is in this spirit that the Appeal exists: to bring support gifts, and build strong communities through faith and your generosity.

Please spend some time this week reflecting on the Annual Catholic Appeal brochure that you received with your bulletin. Please remember that the Annual Catholic Appeal is much different than a one-time special collection. It is a pledge campaign where you can make a gift payable in installments.

Each pledge makes a difference because all parishes participate in the campaign and the gifts of many enable our Archdiocese to deliver needed ministries and services to answer Jesus' call to "Come, Follow Me."

After our parish goal of \$39,124.80 is reached in cash, 100% of any additional funds come back to our parish to help to fund our needs.

If you received your pledge form in the mail, please complete it and mail it back or bring it to Mass next weekend. For those of you that did not receive a mailing or have not had time to respond to it, we will conduct our in-pew pledge process at all Masses next weekend.

Thank you for your prayerful consideration and generous response.

Growing in Faith: Possessed by Our Possessions

The Japanese organization expert, Marie Kondo, has recently been making the rounds of talk shows and has a series on Netflix and best-selling books. She wants to help people de-clutter their lives. It seems she has found a ready audience among many U.S. consumers. One of the questions Marie asks clients to contemplate as they look at and sort their possessions is “Does this spark joy?”

For many people, purchasing something may spark joy. That joy may start to fade, though, when they have to figure out where to store them. Possessions can pile up, space is limited. An item much desired when purchased may originally have seemed like a blessing, but it may ultimately turn out to be a curse. To use Jesus's language from his Sermon on the Plain in today's gospel, “Woe to you who are rich...” (Luke 6: 24b)

After far too many moves, I have learned the lesson of the blessings and curses of possessions. With each

move, I have let go, and let go, and let go, and let go of more and more possessions. They do not spark joy. They are a burden. Fortunately, I have since found many organizations who welcome my possessions, such as Care for Real on Broadway and Northside Housing and Supportive Services on Ravenswood who help people experiencing homelessness. They are just two of the many local organizations where donating your possessions can spark joy for others, and for you.

Have you looked at your closets lately?

TODAY-Commonweal Conversation

Commonweal Conversation's next gathering will be today, Sunday, February 17 from 3:00-5:00 pm in the Ministry Center. We will re-visit the problem of political polarization in light of the media and other responses to the Covington Catholic High School encounter with Native American demonstrators after the recent March for Life in D.C. Even if this hot issue cools off by the time of our gathering, the entire episode is a case study of the dangers of polarization.

Chuck Stone of Better Angels, a non-profit that seeks to unify our divided nation by teaching citizens new ways to talk to one another across the political divide, will lead our discussion.

Please contact me with any questions at 312.305.5499 or ddebelle@gmail.com.

Care for our Common Home

Jesus did not settle for the Ten Commandments. His message assumes them, but his Beatitudes challenge us beyond them. Today, we must apply them within the context of our integral communion with all creation.

For example, Pope Francis' *Laudato Si'* expands the promise of blessings for the poor in spirit by advising "moderation and the capacity to be happy with little ... avoiding the dynamics of dominion and the mere accumulation of pleasures [and] obsessive consumption." (par. 222) Before every purchase, question what it will do to the poor, including all creation.

For information on how the Green Team endeavors to deal with "a constant flood of new consumer goods ... cherishing each thing and every moment," contact georgetully82@gmail.com.

Parish Stewardship Report

"Blessed is the one who trusts in the Lord ... He is like a tree planted beside the waters that stretches out its roots to the stream." ~ Jeremiah 17:7-8

The tree thirsts. It senses the nearby life-giving waters and stretches its roots closer. The tree knows water is life. And as water is life, so God is life. Our roots, our souls thirst for love, our souls thirst for the Lord.

Compliance Training

The Archdiocese of Chicago requires its parishes and schools to provide training in sexual abuse prevention to children and youth in schools and programs annually.

This important training is designed to educate children and youth on how to recognize and report abuse, and is age-appropriate, research-based and straightforward. It's important to note that the programs below are not sex education courses, rather sexual abuse prevention training that encourages children/youth to disclose abuse, neglect or any troubling information to a safe adult, particularly their parent(s).

Visit <https://protect.archchicago.org/> to learn more about our current programs including:

- Praesidium's *Called to Protect*
- VIRTUS *Teaching Touching Safety*
- National Center for Missing & Exploited Children's *Kids Smartz*
- RCL Benziger's *Family Life Program*
- *Child Lures Prevention*

Catholic Dads Needed

A doctoral candidate at Catholic Theological Union is looking for dads within the Archdiocese of Chicago who are willing to share their experience of faith formation in the Catholic Church.

His thesis explores the current adult faith formation programs offered to dads in the Archdiocese to understand how their spiritual needs are being met. He hopes to capture their experiences to make recommendations for new faith formation programs specifically designed to meet their needs.

The interview consists of answering a series of questions and participating in a discussion with other fathers and should take less than two hours. The thesis is particularly focused on three groups of dads: those who personally identify as African-American and/or gay, or dads with bi-racial children.

If you are interested in sharing your experience of faith and fatherhood, please contact Willie Cobb, Jr. at wccobb3033@gmail.com or 773.558.1495.

Office of Assistance Ministry

This office provides pastoral care, support, and resources to victim-survivors of clerical sexual abuse and their loved ones in their efforts to achieve psychological, emotional, and spiritual healing. Since its creation as one of the first victim assistance ministries in the United States, the Office of Assistance Ministry has provided services and support to more than 400 victims-survivors and their family members.

After an allegation is made, the office offers a variety of services including counseling, spiritual direction, support groups, and other social services to support them with their healing process.

Please visit www.protect.archchicago.org to learn more or contact Director Thomas P. Tharayil, LCSW, BCD at 312.534.8267 or ttharayil@archchicago.org, or Assistant Director Ruth Robinson, BSW at 312.534.8256 or rurobinson@archchicago.org.

Catholic Matching Grant Program

A group of generous donors has agreed to pool their resources and offer a two-for-one matching gift program to schools run by the Archdiocese of Chicago. For \$1 designated to a qualifying school through *Empower Illinois* between December 1, 2018 and February 28, 2019, the school will receive \$2 in matching funds. The donations are capped at \$100,000 per school.

After April 1, 2019, any matching gift program funds that are not awarded at a designated school will be reallocated to low-income students at schools with unmet demand.

For more information please call 312.534.2617 or visit www.archchicago.org/tcs.

TODAY- Women and Authority in Early Christianity

Today, Sunday, February 17 from 3:00 - 4:30 pm, Sister Christine Schenk, CSJ, will speak about her award-winning book, *Crispina and Her Sisters*. The book explores visual imagery found on burial artifacts of

prominent early Christian women. It carefully situates the tomb art within the cultural context of customary Roman commemorations of the dead and provides an in-depth review of women's history in the first four centuries of Christianity. From this, a fascinating picture emerges of women's authority in the early church, a picture either not available or recognized, or sadly distorted in the written history.

Hosted by the Benedictine Oblates of St. Scholastica, this inspiring afternoon will explore scripture and its message for us today. The free event will be held at St. Scholastica Monastery, 7430 N. Ridge Blvd.
