PEACE I LEAVE WITH  
YOU; MY PEACE I GIVE  
TO YOU.

~ John 14:27

*From Father Rich*

This is Memorial Day weekend! On Monday, May 27, Memorial Day, we will have morning Mass at 9:00 am. Please join us as we remember those who have served our country, especially those who gave their lives in service.

Today at the conclusion of the 10:00 Mass, we thank Sister Terri McKenzie, SHCJ, for all her ministry and service here at St. Gertrude Parish. At the end of this week, Sr. Terri is moving back to her motherhouse community, located outside of Philadelphia. Sr. Terri has been the driving force behind the Green Team’s development here at St. Gertrude Parish. She was the author of so many bulletin columns on Pope Francis’ encyclical, *Laudato Si’*, about care for our earthly home. Sr. Terri has been such a blessing to us, and we hate to have to say good-bye. May God bless you in your transition and in your new home, Sr. Terri!

This is the season of graduations. Congratulations to all our parish graduates from whatever level of education you have completed! Best wishes as you transition to your new responsibilities! We are proud of all of you!

For many years, our Parish Finance Council has not only helped draft an annual budget, review monthly, quarterly, semi-annual, and annual reports, offered guidance to the pastor and direction for our parish financial resources, it has also served in the capacity of Development Committee—helping determine our parish needs and then planning on how we can meet those needs—including developing capital campaigns and offertory campaigns. And they have done an excellent job! As we are now “catching our breath” with no new capital campaign on the horizon, and having recently completed the offertory increase campaign, it seems a good time to separate the two tasks of the Finance Committee—leaving them responsible for the management of the budget and the regular review of the various financial reports, and creating a new committee or council whose purpose would be to consider the development needs of the parish and how they can be met. This new Development Council would review all requests from parish and outside groups who would like to raise funds from the parishioners and determine which of these many requests reflect the parish vision and mission and deserve our attention, and which are not really appropriate for us at this time. The Development Council would also review the present and anticipated financial needs of the parish and how those can best be addressed (e.g. offertory programs, capital campaigns, parish fund-raisers, etc.)

If you are interested in this kind of ministry for St. Gertrude, or if you want to recommend someone you think would be a good candidate for the Development Council, please call the Rectory at 773.764.3621, email me at rprendergast@stgertrudechicago.org, or speak with me after Mass. If you would like to recommend yourself or another parishioner, you can also fill out the form below and turn it in to the Rectory or drop it in the collection basket. We’ll run this invitation for a few weeks and hope to be able to get people together this summer. Thanks for your consideration.

~ Father Rich

## *Growing in Faith: The Practice of Honoring & Remembrance*

Memorial Day was set aside as a time of remembering those who lost their lives in war or in the service of their country. It is a true and unique American holiday. Originally it was called Decoration Day, celebrated on May 30 each year and came about as a healing tradition following the American Civil War. Families went to the cemetery to decorate the graves of their fallen loved ones—those who had given their lives for what many called the “greater good.”

As a child, my memories are vivid of grandparents, parents, and cousins taking care of family gravesites in May, cleaning, preparing and adorning them lovingly for Decoration Day. The idea originally came about to remember the sacrifice of veterans. Later, the tradition broadened to become a holiday of remembrance in which families honored all members of their family who had passed away, while still placing a special emphasis on those who lost their lives in service to the military.

In 1968, the U.S. Congress changed several holidays observed in the U.S. Code to be celebrated on a Monday holiday in order to create a longer weekend for federal employees. The last Monday in May was selected as Memorial Day, creating the Memorial Day Weekend.

This long weekend has morphed to include a tradition of family gatherings, parades, and of remembrance, celebrating and honoring family that have passed on, but also celebrating the family dear to our hearts.

## Income/Expense Report

Below you will find the St. Gertrude income/expense report for Fiscal Year 2019 from July 2018 through April 2019. Since our offertory campaign began in October, Sunday contributions have increased by an average of \$1,029 per week. We thank you for your generosity. If you have made an increased offertory pledge, but not yet fulfilled it, we ask that you consider doing so at this time.

Unfortunately, we still project a deficit of around \$90,000 for this fiscal year. However, due to the increased offertory, we project that we will be able to cut the deficit to around \$50,000 in fiscal year 2020.

Director of Parish Management and Facilities

## *A Letter from Cardinal Cupich*

ARCHDIOCESE OF CHICAGO

Dear Sisters and Brothers in Christ,

Blessings to you in this joyful season of Easter. In keeping with my pledge to update you on the Church's efforts regarding the safeguarding of children, I want to share an important step taken by Pope Francis. This past Friday he published an executive order mandating that all bishops implement a new universal law requiring all dioceses and religious orders to report the abuse of minors and vulnerable adults. The new law provides a process for investigating abuse by any member of the hierarchy, including cardinals, bishops, and priests as well as religious men and women. There is also a process for investigating the mishandling of such cases by bishops. Now, all bishops' conferences and religious congregations in every country around the world will have to meet more rigorous standards.

This unprecedented development comes less than three months after the Holy Father's meeting in Rome with all religious superiors and presidents of bishops' conferences from around the world. On that occasion, the Pope promised concrete action. The announcement today, along with the norms he published earlier for the Vatican City State, demonstrate his resolve to put an end to cover-ups and take decisive action to rid the Church of the scourge of abuse of minors. For your convenience, you can read the full statement the archdiocese released on the law. I invite you to share this information with your family members and friends. As I noted in that statement: "While this new law validates many of the procedures already in place in the Archdiocese of Chicago and in the United States, it provides a framework for the bishops in this country to adopt measures at our June meeting that will both implement the Pope's executive order and address the issue of holding everyone in the Church accountable."

As our auxiliary bishops and I prepare to attend that meeting in a few weeks, I pledge to you once again that I will do my best to see that our response in June, as well as our ongoing efforts in this regard, are marked by responsibility, accountability and transparency.

Sincerely yours in Christ,

Cardinal Blase J. Cupich  
Archbishop of Chicago

### Parish Stewardship

*“Jesus said to his disciples ... ‘Peace I leave with you; my peace I give to you. Not as the world gives do I give it to you. Do not let your hearts be troubled or afraid.’” ~ John 14:27*

What does peace mean to you? What brings you peace? Is it something of this world? How long does this peace last? How grounded is it?

Jesus asks us to be at peace through him, a peace that lasts and is grounded in eternity. His peace is reaching out to us. Can we reach back out to him?
