

YES I DO

RICH BARON © 2017

Will I be with you till the very end, what if we live a thousand years

Am I the one on whom you can depend... Yes I do, yes I do, yes I do... yes I do

Could it be me who sees your better side, could it be me who calms your fears

Everything open nothing left to hide, Yes I do, yes I do, yes I do... yes I do.

I was like a lonely soldier in a foreign port of call

Every smiling face looked colder than a picture on the wall

When I saw you in the corner, I felt half way home,

Yes I do, yes I do, yes I do... yes I do. Yes I, yes I, yes I, yes I...

I was like a lonely soldier in a foreign port of call

Every smiling face looked colder than a picture on the wall

When I saw you in the corner, I felt half way home,

Yes I do, yes I do, yes I do... yes I do. Yes I, yes I, yes I, yes I...

You ask if I would lie down next to you, be there each winter, spring or fall,

And every summer, would I sweat for you.

Yes I do, yes I do, yes I do... yes I do. Yes I, yes I, yes I, yes I... do!
