

Impact Counseling Services

School -Based Mental Health

About Us

Founded in 1992

Impact Counseling Services, INC. provides accessible, quality mental health counseling and consultation to schools and communities in Central Texas.

Our therapists are licensed mental health professionals with years of experience working with children, adolescents, adults, and families. We use evidence-based therapies and are trauma-informed in our approach with clients.

How We Serve

Relationally

- **Exceptional Care**: We provide exceptional care as we know you deserve a high standard of support. We ensure our staff receive weekly clinical individual and group supervision, monthly trainings, and ongoing team support.
- **Integrity and Professionalism**: Our therapists hold masters -level degrees in social work, professional counseling, and marriage and family counseling. All professionals are expected to operate according to their licensing scope of practice and within their professional code of ethics.
- **Fostering Safety**: We embrace diversity in an inviting safe environment and a confidential space with a readiness to join and advocate.
- **Accessibility and Flexibility**: We provide services that are barrier -free and specific to the needs of the individual, community, school, or agency with the awareness and ability to adapt as needed to provide the best care -plan.
- **Relationships**: We strive to promote and cultivate lasting relationships to build trust with our partners.
- **Cultivating Hope**: We are committed to inspiring ourselves and the people we encounter daily to choose hope and know that mental health is possible with accessibility and advocacy.
