DESIGNED WITH AN ARTIST'S EYE FOR BALANCE

Open living and dining spaces create gathering points, while a large wall allows for an in-house theater or art gallery. Each room is harmonious and composed for flow and comfort.

### THE SPIRIT OF IMAGINATION

Elements like built-in bunk beds, a loft, cut-out windows that let light travel gently through rooms, an upstairs guest suite with its own living room, and a bocce ball court, lend to the sense of adventure throughout the home. The expert craftsmanship is both functional and aesthetic, with color themes that subtly thread through the home.
